Old time charm welcomes guests at Eagle Waters Resort & Supper Club

Eagle Waters Resort & Supper Club continues to be a beacon along the shores of the Eagle River Chain of Lakes, offering visitors to the area unbeatable lodging amenities, alongside historic supper club dining.

They are a true full-service "old-school" gem — a landmark property with decades of tradition dating back to 1857.

The rich history of the lodge dates back to the fur trading and logging era when the property consisted of a trading post, bank and the first regional post office. The property also served as a resting spot for loggers as they sourced lumber down the Eagle River Chain of Lakes.

Today, Eagle Waters is a fourseason resort offering an array of amenities to go along with 60 lodging units.

"If the grand, arched ceiling beams and wooden walls could talk, they would speak of the many celebrations and joys experienced through the years," said Eagle Waters Resort owner Laura Koranda. The family-friendly restaurant is open to the public and includes two bars, dining rooms and woodburning fireplaces; banquet and game room; and seating for large groups. The restaurant features a full menu including seafood, pasta, pizza, gluten-free items, vegetarian dishes, small plates and children's meals.

"We have a mixed selection of fine foods in a casual North Woods atmosphere. We also do special holiday brunch buffets for Easter, Mother's Day, Father's Day, Thanksgiving and New Years Eve", said Koranda.

People can check the North Woods Trader and eaglewaters. com and Facebook for current dining hours and a special events and theme nights schedule.

Currently, Eagle Waters Resort Restaurant is open Wednesday thru Saturday from 5 to 9 p.m. Those looking to have a cocktail before dinner can do so starting at 4:30 p.m. Wednesday thru Saturday.

Eagle Waters is located on Eagle Lake, which is part of the 10-lake Eagle River Chain of Lakes. The chain totals nearly 3,600 acres for boating, recreation, and worldclass fishing.

When combined with the adjoining Three Lakes Chain, the waterway forms the largest freshwater chain of lakes in the world

and theater, live music, dance, corporate training and reunions all have shared floor space at the historic resort. It is worth the visit!

Wedding Venue

For generations, Eagle Waters Resort has been one of the North Woods' most unique destinations for weddings, family reunions, events, retreats and family vacations.

"We reflect the true nature and true spirit of the North Woods," said Koranda. "Your wedding is meant to be one of the happiest days of your life and we understand what that means. Your wedding will be our priority. Make your dreams a reality!"

Eagle Waters has professional staff members ready to assist individuals to incorporate their own ideas and visions to create the celebration and "WOW" experience.

"Our restaurant, resort, and banquet facilities can accommodate weddings, events, banquets, retreats and reunions of any size up to 275 people," said Koranda. "We are here to help you."

Eagle Waters Resort includes Kee-Mi-Con Lodge, rental cabins, duplexes and condominiums. Kee-Mi-Con Lodge features professionally designed interiors that aim to

offer the perfect balance of modern convenience with a

true North Woods-style "home away from home."

Nonprofit events, school and sports banquets, comedy
