ICE STORM 2025

The weekend ice storm of March 30 and 31 left thousands without power in central Wisconsin on Sunday morning. There were numerous calls to 911 in Waupaca County about trees—heavy with the weight of ice—sparking against power lines. There were many calls about fallen trees blocking roadways. There were many disabled vehicles in the ditch and some churches canceled services. After light snowfall on Monday, ice still covered trees on north-facing slopes.

Skeleton identified, two arrested

WAUSHARA COUNTY – The Waushara County Sheriff’s Office identified the human skeletal remains found on March 13. The remains were located in the Township of Leon. This area is south of Pine River and west of Poy Sippi.

The person was identified as Tiffeny M. Schneider, 33 years old. This investigation led to a search warrant that was executed at a residence in the Township of Leon and two people were arrested: 57-yr-old Jerry L. Wendler and 48-yr-old Wade A. Mc Lees.

Jerry Wendler was charged with felon in possession of a firearm, possession of methamphetamine, possession of THC (second offense), receiving or concealing stolen property, possession of drug paraphernalia, and for an active warrant with the Wisconsin Department of Community Corrections.

Wade Mc Lees was charged with possession of methamphetamine, three counts of felony bail jumping, and possession of drug paraphernalia. Mc Lees has three open felony cases out of Adams County and two open cases in Waushara County.

Jerry Wendler was ordered to post a \$2,000 cash bond and Wade Mc Lees was ordered to post a \$1,000 cash bond. Sheriff Wally Zuehlke said this investigation remains open and active.

The future of Zenoff and Goerke Parks

New plans, historical preservation

BY KATIE SCHIMKE
STAFF REPORTER

STEVENS POINT – On March 27 the city hosted two public meetings to present plans and answer community questions regarding the future proposed renovations of Zenoff and Goerke Parks.

Dan Kremer, Director of Parks, Recreation, and Forestry, presented drafts to the community of possible renovations for the 16.5-acre Zenoff Park. Draft A would include a new 200’/215’/200’ synthetic turf softball field with lighting, 750 new seats of bleachers, 200 additional parking spots and more. Kremer said of Draft A: “To build a field of this magnitude, it would require acquisition of one acre, or a little more, of Moose Lodge. That’s ultimately their choice, and it may never happen. It comes down to if a deal can be worked out.” Kremer later stated the city has not yet been told what the Moose Lodge would like to do in regards to possible land acquisition.

Draft B examines the idea of, rather than adding a new field to Zenoff, enhancing and renovating one of the three existing fields. Draft B includes the renovation of synthetic turf of one field, 750 new bleacher seats, replacement of field lighting and more. Kremer said feedback received prior to the March 27 meetings has leaned towards support in building a fourth field in Zenoff Park.

Goerke Park currently sits at 29 acres. Several of the park’s features are original to it’s 1930s roots such as the Parker Building, the Rec Center, and the grass overflow parking that becomes the ice rink in winter, which Kremer explained is a feature to Goerke that been grandfathered in. Grass overflow parking is no longer permissible in the city of Stevens Point for businesses; therefore upgrades to businesses such as those proposed for Goerke would require paved parking lots.

The Goerke Park meeting began with a nearly filled room. Kremer began by showing previous drafts of possible renovations, explaining that there is not yet a final draft. “A project of this magnitude can take decades,” said Kremer. “Some of the biggest things—like an aquatic center—if you ask me today, I think something is going to happen with outdoor aquatic center. Our community has been pretty loud about doing something there. Other elements might never happen. There may be other improvements we haven’t even arrived at yet. There are going to be changes coming and those are based on the feedback we’re going to be receiving.”

The most recent draft from Feb. 2025 shows features added to Goerke such as an inflatable dome over a synthetic field, an aquatics area, new parking lots, and

Big boost for Eco Park

WAUPACA – Friends of Waupaca Parks donated \$25,000 toward the enhancement of Eco Park. This contribution will fund the building of a natural playground, a plumbed bathroom, electricity for outdoor events, and an ADA-compliant pathway that will ensure Eco Park remains an accessible space for all.

“At Friends of Waupaca Parks, we believe in the power of parks to bring people together, inspire learning, and promote wellness,” said Roger Holman, President of Friends of Waupaca Parks. “Eco Park is already an incredible asset to our community, and we are excited to help take it to the next level with these much-needed improvements. This park is more than just a green space—it’s an outdoor classroom, a gathering place, and a haven for nature lovers of all ages. With these improvements, we are ensuring that Eco Park remains a vital part of our community for years to come.”

Eco Park has been a place

Parks and Recreation Director Laura Colbert is handed a \$25,000 check from the Friends of Waupaca Parks. The funds will be used to make many improvements at the park.

Submitted Photo

of gathering, recreation, and quiet reflection for about a decade. With the rapid growth of the River North community—including 200 new homes on the horizon—the need for an expanded and fully equipped park has never been greater. This donation will help transform Eco Park into a regional destination where families, educators, and nature lovers can connect and thrive.

Over the past few years, the city has made upgrades to the park, including an extended boardwalk path to the Waupaca River, a tree trek highlighting local flora, a story walk that encourages imagination, and a renovated amphitheater for community events.

The Friends of Waupaca Parks is a dedicated nonprofit organization that supports local parks and recreation initiatives through fundraising, advocacy, and volunteerism. donation is just the beginning. The organization encourages others in the community to contribute and be part of this transformation. Donations can be made at www.friendsofwaupacaparks.com.

Repair work on Highways 45 and 22

BY BERT LEHMAN
STAFF REPORTER

CLINTONVILLE – The Clintonville Common Council approved a bid of \$49,469 for concrete repairs to U.S. Highway 45 and State Highway 22.

The \$49,469 bid from Sommers Construction Company located in Shiocton was approved by the council at its March 11 meeting. Broken down, the base bid is for \$38,970, plus \$6,900 to repair and adjust storm inlet castings and manhole castings and \$3,000 to remove and replace concrete curb and gutter.

The area where concrete will be repaired is by Klein Auto, Pumps Tire, and the Kwik Trip intersection. The project was originally planned for 2024, but was pushed back to this year. The funds will come from funds that the council had previously approved carrying over from 2024 in the city’s street maintenance account.

A total of four bids were received for the concrete repairs project. The other three bids were for \$49,800, \$56,830, and \$70,324.

Stock Photo

Finance Committee

Justin Mc Auly, director of public works, told the Clintonville Finance and Personnel Committee at its March 10 meeting that the common council had previously agreed to carry over funds to cover this project.

“We have a lot of areas that need concrete repair fixing,” said Mc Auly. “We also have some inlets and catch basins that need some repair.”

Kunkel Engineering was hired by the city for the engineering and construction services for the project, Mc Auly said.

Mc Auly said he was looking for an approval of the Sommers Construction bid, which Kunkel had recommended. He added that Sommers Construction is also doing the street reconstruction for 16th Street and Harriet Street in the city.

Horse-and-buggy crash

MARION – A vehicle crashed into a horse-drawn buggy in the Town of Dupont on Thursday, March 27 at 7 p.m. The accident occurred on Country Trunk C near Sprenger Road.

A 49-year-old woman was at the reins and she was badly hurt. Theda Star medical helicopter flew her to ThedaCare in Neenah with life-threatening injuries. Two children were in the buggy with her: an 11-year-old and a 3-year-old, and they were taken to ThedaCare in Shawano with serious but non-life threatening injuries. The driver of the vehicle was a 34-year-old man and he walked away with minor injuries. The crash remains under investigation.

Parks
CONTINUES ON PAGE 2

PARKS

FROM PAGE 1

playground equipment. According to the Stevens Point Convention and Visitors Bureau the inflatable dome is the “number one facility needed inside Stevens Point from a tourism perspective.”

Community concern for historic aspects of Goerke Park have grown, with most its original 1930 structures no longer standing in the current draft. The Recreation Center, built in 1921, is on the eligibility list for historic preservation but would no longer exist in the current draft. Other historic aspects of the park include the 1933 Parker Building, community bleachers constructed in 1938, and PJ Jacob’s Middle School built in 1937, all of which are not on the eligibility list, historic preservation list, or historic registry.

Kremer shared preliminary options to preserve history in the case of demolition, such as saving exterior façade of historic Goerke structures to be incorporated into new building construction.

Trina Dorn of Stevens Point, and her neighbors have taken to knocking on community members doors in light of the city’s current draft for Goerke. Dorn said after knocking on 76 doors, only one home owner knew of the city’s current draft plans. Dorn is advocating for the preservation of over 70 years of Goerke Park history, but she also is concerned about the ability for Goerke Park and it’s neighborhood to accommodate larger events if the inflatable dome is built. The inflatable dome would attract more sports and recreation events to the area.

“No one who lives in

the area is excited for the dome, you can barely get down Minnesota Avenue and Prais Street when there are two events going on at Goerke. This area can’t handle more events,” said Dorn said.

Along with Dorn and her neighbors knocking on doors to discuss Goerke Park History, the Portage County Historical Society is hosting a virtual presentation on May 1 at 7 p.m. titled, “The History of Goerke Park” in an effort to educate the public about the historical park buildings. Dorn also posts on the Facebook Page “Save the Rinks/Warming House Stevens Point” to virtually share the information she spreads with her neighbors.

Draft plans for both Goerke and Zenoff Parks are available on the City of Stevens Point website in addition to surveys that are due April 11.

PUBLISHER’S LETTER

The Inside In or the Outside Out

Dear Reader,

When I was young, love seemed like something you could measure in glances. I wanted a pretty girl—the kind that turned heads and made other guys envious. I’d walk into a room with her, and the looks we’d get felt like a raised eyebrow and a quiet “Wow, buddy, how’d you do that?” In my mind, I’d say to everyone watching, “Eat your hearts out.”

How shallow that seems now.

Time has a way of showing you what really matters. It took years—and some heartbreaks—for me to realize that beauty on the outside pales next to the beauty within. Now, as I look back, I treasure the richness of the life I share with someone who knows me at my core. She is not just my partner but my most trusted friend, the keeper of my past, and the compass for my future. She embodies the familiarity of family, the comfort of shared memories, and the strength of shared virtues.

I almost missed it. I was so busy casting for the surface that I nearly overlooked the depth. But by some miracle of fate—or grace—my last cast in the pool connected me to the love I didn’t even know I needed.

Now, I wake up each day beside her, and the morning sun shines a little brighter. The stars twinkle a little more at night. She makes the world go round. Not with the kind of beauty that fades but with the kind that grows richer, deeper, and more radiant with every passing year.

To anyone still searching or holding out for the “wow” factor, I say this: Look deeper. True beauty isn’t something you show off to the world; it’s something that wraps itself around your heart, fills your soul, and makes life worth living.

Residents speak out against rezoning

Council takes no action

BY BERT LEHMAN
STAFF REPORTER

NEW LONDON – Several residents spoke out against rezoning properties owned by Ingrid LLC to change the 20 existing family lots on the new section of Southland Drive to allow for single family and two-family dwellings.

The residents spoke during a public hearing regarding the rezoning at the March 18 New London Common Council meeting. When it came time for the council to act on the rezoning request, the motion did not receive a second, and the matter was referred back to the New London Plan Commission. The Plan Commission had previously recommended approval of the rezoning when it met Feb. 27.

of what was going on back there,” Graham said. “... I want this ceased. I want a full investigation.”

Graham asked what the rezoning entailed.

New London City Administrator Chad Hoerth said the rezoning, if approved, would change the city parcels in the rezoning area from R-1, which is singlefamily homes, to R-2, which would allow single-family or two-family units on the parcels.

“I hope you guys do the right thing and vote it down,” Graham said.

Patty Dyreson also spoke during the public hearing.

“I’m telling you that myself and several other people sitting back there, our families are not at all in favor of making this an R-2,” Dyreson said. “We already have all of those apartments back there. It has increased traffic.”

She said she didn’t think Oshkosh Street was built well enough to handle more traffic in and out of the area.

Dyreson agreed with Graham about not knowing about the project in the area.

“We’re not that far away from this residential area, and we know nothing about it,” Dyreson said.

She urged the council to delay voting on the R-1 to R-2 rezoning issue until further discussion can be held.

Barbara Lowe told the council that the drainage pond built in the area is now part of her backyard.

“It’s dangerous,” Lowe said. “It was designed dangerously. I was told there would be a fence around it. There is no fence.”

She also said she doesn’t trust the person who is developing the parcels because of unkept promises.

“I guess I’m a little anxious if duplexes are built, that there will be a higher population pressure in that area,” Lowe said. “Where we were told it was just going to be single-family houses. It was going to be nice yards behind them, and just a nice neighborhood. If it becomes duplexes, that will change from what we were originally told.”

Ald. Dave Dorsey addressed the council during the public comments portion of the public hearing, saying he was “apprehensive” when the process was started to rezone parcels from R-1 to R-2.

“I did not know about the promises that were made to the people that live around there,” Dorsey said.

He recommended the council reconsider allowing the rezoning, and take time to gather more input from residents.

Dorsey also said the roads in the area were not designed for 40 families living in the area.

Waupaca NEWS

Local poetry events in April

WAUPACA – April is National Poetry Month and the poetry committee of the Waupaca Community Arts Board has numerous poetry-related events happening throughout the month. First is the poetry contest which ends April 4. Contest information can be found at www.waupacaarts.org/poetry. Entries can be submitted online or a paper copy can be dropped off at the Waupaca Area Public Library to the attention of “Laura J.” Entries will be judged without their attached identifying information. Contest winners will be interviewed at 9 a.m. on May 7 by Mike Olinger on

Good News Waupaca on WILW 96.3 FM. Also the library has poetry books on display. The Poet Tree and paper leaves are displayed nearby. An original poem or published poem can be written on a leaf and then hung on the tree. The Bookcellar at 110 S. Main St. has poetry books on display and are for sale. Haikus by Arts Hub students will be posted at <https://www.facebook.com/waupacaartshub>. On Wednesday, April 23, will be a poetry reading and open mic night titled, “No Rhyme or Reason.” Street poet Paul Wiegel and the

UW-Stevens Point Rising Voices poetry group will give readings. The poetry-contest winners and audience members are invited to read an original poem. The doors open at 6 p.m. and the event is 6:30 to 8:30 p.m. in the downstairs meeting room at the Waupaca Public Library. Original poems using March/April prompt words “stone” or “draw,” can be posted under “April Poetry Prompts” event on Facebook in the WCAB Poetry Group, where a poetry prompt word is suggested monthly. On Mondays, a published poem is also posted on this poetry group page.

Get rid of junky electronics

WAUPACA – The City of Waupaca and Waupaca Online will be hosting are teaming up to host an electronics recycling event for area residents and businesses. It will take place on Friday, April 25 from 10:30 a.m. to 1 p.m. at Swan Park. A wide variety of electronics will be accepted at no charge, this includes computers, laptops, tablets, gaming systems, cell phones, satellite boxes, VCR/DVD players, audio equipment, routers, desktop printers, cords and most small electronics. Items requiring a disposal fee include TVs and monitors, large copy machines, microwaves, dehumidifiers, small refrigerators and window A/C units. Certain items cannot be accepted and those include

smoke and carbon monoxide detectors, thermostats, batteries, thermometers, light bulbs, full-size refrigerators/freezers and central air conditioning units. **How it works** Event staff will unload items directly from vehicles. To help keep the line moving efficiently, please unlock vehicles, pop the trunk and keep the vehicle running. “There’s typically a rush at the start of the event,” said Joshua Werner, the city’s IT Director. “If you’re looking to avoid the wait, closer to lunchtime is usually the best time to come.” **Other stuff, other options** The Waupaca County Processing & Transfer Facil-

ity on Swan Road (west of Manawa) accepts a broader range of items year-round. Visit www.waupacacountyrecycling.com to learn more. For full event details, a complete list of accepted items, and associated fees, visit Mercury-containing items (like thermostats, thermometers, switches, and compact fluorescent light bulbs) are not accepted at this event, but may be dropped off at Waupaca City Hall during normal business hours, for free, through the city’s mercury take-back Program. The Waupaca Police Department will host a drug take-back event on Saturday, April 26, from 10 a.m. to 2 p.m.

Jason Coleman to perform in Wild Rose

WILD ROSE – The Wild Rose Kiwanis Club will host Jason Coleman live in concert at 2 p.m. in the Wild Rose High School auditorium on Sunday, April 13. A gifted pianist and the grandson of legendary pianist Floyd Cramer, Jason has spent over two decades sharing his music with audiences across the country. With more than a dozen piano albums to his name and a career that has taken him coast to coast, Jason brings his grandfather’s signature piano style to a new generation of listeners. Since 2020, he has also been the host of The Jason Coleman Show, a weekly concert series broadcast both as an online TV show and as a radio show on WSM Radio. With millions of views and thousands of regular listeners, the show has become a vital connection point between Jason and his devoted “piano family” of fans around the globe. “I’m not a flashy piano player,” said Jason. “I just aim to let the melody of the song come through, allowing listeners to fill in the words in their own hearts and minds. I think of my music as a bridge, connecting us to memories and loved ones from the past.”

Coleman

Jason’s passion for piano runs deep, rooted in his early years spent alongside his grandfather, who was renowned for his unique “slip-note” style. Though Floyd Cramer passed away when Jason was just 12 years old, their close relationship shaped the course of Jason’s musical career. At just 17 years old, Jason made his Grand Ole Opry debut and, at 19, performed at the Medallion Ceremony honoring Floyd’s induction

into the Country Music Hall of Fame. Advance tickets are \$25 for adults, \$15 for students and children under 18 (\$30 and \$20 at the door), and can be purchased from any member of the Wild Rose Kiwanis Club, the Patterson Memorial Library in Wild Rose, the Waushara Argus office in Wautoma, or Office Outfitters in Waupaca, or email WildRoseKiwanis@gmail.com for will-call tickets.

Insurance a family affair for Johnsons

BY GREG SEUBERT
CONTRIBUTING WRITER

WAUPACA – A plan is in place to keep a local insurance company in the family. Pat Johnson joined his father, brother and brother-in-law at Johnson Insurance Agency Inc.’s downtown Waupaca office in 1984. His son, Kyle, joined the agency two years ago and plans to eventually take the business over. Pat’s father, Wayne, joined the company after moving back to Waupaca. “John Cormican was the owner of the business and he worked for John,” said Pat. “They moved into this location in 1966 when Farmers State Bank moved to its new location.” That location is at the corner of Main and Fulton streets at 102 S. Main St. “John had retired and the name was changed to Johnson Insurance in ‘74,” Pat said. “My brother-in-law, Jay Moe, joined in ‘76, my brother, Chris, joined in ‘80 and I joined in ‘84. We bought my dad out in ‘91. It’s truly a family business.” Moe and Chris Johnson retired in 2021 and 2022, respectively. “I said, ‘I need some help here,’” Pat said. “I talked to Kyle and he joined in ‘23.” “It’s always kind of been on the backburner,” said Kyle, a 2009 Waupaca High School graduate. “I know my Grandpa Wayne and Grandma Jere definitely talked about it with me growing up. They really wanted me to get involved in it. Grandma Jere, especially later in her life, was very adamant about somebody needing to take over.” Kyle left a job to join the family business. “Working at the lumber yard wasn’t cutting it, lifting drywall up and down stairs and stuff,” he said. “It was a big learning curve to join the business,” he said. Kyle is planning to eventually take over once Pat retires. “That’s the idea,” he said. “We just remodeled the whole place to kind of set the tone and get the future rolling here.” The Waupaca office has five employees and opened

Kyle and Pat Johnson are insurance agents at the family business, Johnson Insurance Agency Inc., which has offices in Waupaca and Clintonville. Greg Seubert Photo

a second office at 144 S. Main St. in Clintonville in 2007. “We had some business over there,” Pat said. “It’s a good community, very similar to Waupaca.” The Johnsons divide their time between the two offices. Pat said the agency has an advantage over other insurance businesses. “It’s service,” he said. “When they call, we respond and take care of them when they need it. I like helping people, especially if a claim occurs. I’ve been to house fires sometimes before the fire department gets there and said, ‘Hey, we’ve got you covered.’ “We’re keeping up-to-date with all the changes because there are constant rule changes and coverage changes,” Kyle said. “It keeps you ahead of the game.” Instead of dealing with one company, the Johnsons are independent agents, which means they can compare rates with other companies. “We have more options and companies to choose from,” Pat said. “If one doesn’t work, I can go to the next one. With rate changes, I think we have an advantage to give people the best rate possible.” Johnson Insurance offers life, personal home and auto, farm and business policies and used to offer

health insurance. “That got too specialized,” Pat said. “We actually have a broker in Appleton that I refer people to and that’s all they do is health insurance. They use our office to talk to people.” Pat said he realizes people have plenty of options for choosing an insurance policy. “We try to give personal family service,” he said. “This is a service and you want to be able to give people great service. I always tell Kyle that you have to understand the terms and know what coverage you have and what coverage is excluded. What’s not covered is just as important as what’s included. “We still do house calls,” he added. “We’ll take the time to go visit with them if we have to go to their house or business.” Johnson Insurance recently won two Best of Waupaca Area awards, including first place as best insurance agency. Pat also tied for second as best insurance agent. “It says we’re doing something right,” Pat said. “We get a lot of referrals, which tells me we’re doing something right. People want options in this market right now. Pricing is always a concern. It’s peace of mind knowing they can come in and be taken care of.”

Extension office moves

WAUPACA – Due to the ongoing courthouse remodeling project, the Waupaca County Extension Office has temporarily relocated to 111W. North Water St. in New London. The office will return to the courthouse once renovations are complete. The office

will be open Monday through Friday from 8:00 a.m. to 4:00 p.m., unless otherwise noted on their website and Facebook page. The Waupaca County Extension Office provides services such as 4-H Youth development, the FoodWise program, soil and water testing and other educational programs.

Real Deals hosts grand reopening

STEVENS POINT – Real Deals, located in downtown Stevens Point, will celebrate a grand reopening on April 2, 3, 4 and 5 following a mini renovation. The store will officially reopen its doors at 10 a.m. on Wednesday, April 2 at 817 Clark St. All are invited to experience the refreshed space and new products.

“Many of us like to give our homes a fresh coat of paint or revamp our own spaces, so we decided we should do that for our Real Deals home,” said owner Michelle Venzke. “We knew we wanted to update some paint, rearrange and reorganize some of our displays, and bring in new items that we’ve never carried before.”

The recent renovation focused on revamping the store’s layout and introducing new displays, updating wall treatments, and refreshing paintable surfaces. The exterior has also been given a fresh look with new signage and window decals.

West Side Mobil sells Powerball winner

BY KATIE SCHIMKE
STAFF REPORTER

STEVENS POINT – One lottery player is \$50,000 richer after purchasing a winning Powerball ticket at the West Side Mobil in Stevens Point.

The winning ticket contained four of the five numbers. The March 26 drawing

contained numbers 5, 20, 29, 39, 53 and Powerball number 6.

The West Side Mobil sold another winning ticket last year that won \$200,000.

This marks the third lottery win in Stevens Point and Plover in the month of March, with another

lucky winner taking home a \$1,000 winning ticket that was purchased from Kwik Trip on Old Highway 18 earlier this month. Additionally, one Walmart shopper purchased a Badger 5 ticket for the March 8 drawing that earned \$21,000.

City to rewrite zoning code

STEVENS POINT – On Feb. 17 the Stevens Point Common Council authorized city staff to rewrite the zoning code. Stevens Point has had a zoning code since 1936, with the last rewrite taking place in 1979.

Rewriting the zoning code is anticipated to occur through mid-year 2027. Public engagements will

begin this spring that include public surveys, focus groups, and thirteen neighborhood public informational meetings from May-Oct. 2025.

Gibson to UW-Milwaukee

STEVENS POINT – Dr. Thomas Gibson, chancellor of the University of Wisconsin-Stevens Point, has been named the next chancellor of the University of Wisconsin-Milwaukee. The

Universities of Wisconsin Board of Regents unanimously approved his appointment and will assume the leadership on or about July 1. Gibson has been chancellor of UW-Stevens

Point since January 2021. He will earn \$575,000 as UW-Milwaukee chancellor. An interim chancellor for UW-Stevens Point has yet to be determined.

Food truck goes to NFL Draft

BY KATIE SCHIMKE
STAFF REPORTER

PLOVER – The Purple Basil was selected as one of four food trucks to serve fans inside the Draft Zone during the 2025 NFL Draft, which will take place in Lambeau Field from April 24 to April 26. The Draft Zone will host four food trucks alongside fan events and immersive experiences.

The Purple Basil, serving Italian inspired cuisine to Central Wisconsin, is a staple in the Plover community with their At The Terrace seating from spring to fall. The Purple Basil operates out of Plover on select days during their season, with alcohol available to be served when dining At The Terrace located at 2860 Post Rd, Plover.

Stevens Point Police Report

- March 25 – A student at Ben Franklin Junior High School sprayed another student in the eye with cleaner from a spray bottle which resulted in the student seeking medical care.
- March 26 – A caller advised that she had been approached in Mission Coffee House’s Main Street location by a male who was asking her for a sexual encounter.
- March 26 – A pink-colored nicotine vape was found inside a classroom at Ben Franklin Junior High School. It was disposed of with no suspects or owners located.
- March 26 – A caller reported that a female in a white car on Main Street and Division Street was yelling “daddy” and “help me.”
- March 26 – A woman’s Amazon package was stolen from the 700 block of John’s Drive.
- March 26 – An officer witnessed a male fall down on the sidewalk and then onto the road on Main Street. The male got up, flipped off the officer and stated he did not need police assistance and walked away.
- March 28 – A grey Trailblazer was driving north bound on Division Street going about 70 miles per hour.
- March 28 – A male reported that he found evidence of his gas tank being drilled into while his vehicle had been parked north of the Reserve Apartments.
- March 28 – Police officers were dispatched to Point of Discovery School due to a student breaking items and causing a disturbance.
- March 30 – Marshfield Clinic staff called due to an individual interfering with medical care of a patient. The individual was becoming aggressive with the staff, leading to staff requesting that this individual be escorted out.

Local bridge action

STEVENS POINT – On March 24, the social bridge winners at the Lincoln Center were Larry Niederhofer and Helen Ippel, Jean Singh and Dan Stoil, and John Herder and Paul Barsi. New members are welcome to play.

On March 28, the duplicate bridge winners at the Lincoln Center were Mary Jacobson and Polly Garbe, Mark Thomas and Mary Olson, and Paul Barsi and Janice Doxtator. If you are interested in playing duplicate bridge or taking a bridge class, call Sandy Davis at 715-252-3365.

Kewaunee judge oversees sand mine case

BY EMILY DOUD
STAFF REPORTER

IOLA – A new decision made by a Kewaunee County judge will send the Iola sand mine case into fall before any final decisions are made.

The proposed Iola sand mine on the Iola Car Show grounds has been a contentious issue for the area, namely the neighbors close to the mine who filed a lawsuit against the mine in an attempt to stop the project.

The neighbors to the proposed sand mine filed an appeal to the Board of Adjustments in Waupaca County last fall, after they upheld the decision made by the Planning and Zoning Board to allow for the Conditional Use Permit (CUP) for the sand mine.

The last judge in Waupaca County, Judge Vicki Clussman, made the decision to recuse herself from the case Feb. 19, this is after Judges Troy Nielson and Raymond Huber recused themselves last fall.

The CUP for the proposed sand mine on the car show grounds has been an ongoing issue since May 2023 when the Township of Scandinavia recommended a denial for the CUP to the Planning and Zoning Committee.

Last fall the Board of Adjustments heard over ten hours of testimony and public commentary, and after deliberations decided to uphold the decision to allow for the CUP.

Attorney for the plaintiffs, Christa Westerberg, then filed the appeal to the Board of Adjustments in reference to the decision they made Oct. 25 to allow the CUP.

Judge Jeffrey Wisnicky of Kewaunee County has taken the case and in his first ruling March 24 decided to allow Faulks Brothers to intervene in the appeal, which will allow them to provide testimony in the case.

The next deadline, according to court documents, is April 24 when all of the testimony and files from every Township of Scandinavia, Planning and Zoning Committee and the Board of Adjustments must be compiled and handed off to the Kewaunee judge.

The court records also state that the plaintiffs’ brief is due by July 1, then the Faulks Brothers and the Board of Adjustments response is due by Sept. 2, then the plaintiffs reply to their response is due Oct. 1.

The proposed plot of land for the sand mine will remain untouched until the case is settled.

Pump up the volume: not in Iola

Village reviews noise complaints

BY EMILY DOUD
STAFF REPORTER

IOLA – The music ordinance in the Village of Iola was created and approved in May 2023 to outline policy for outdoor and music entertainment within the village limits. Recent complaints may be sending the ordinance back to village officials.

In a March 25 working committee meeting at village hall, Jennifer Schustek, the Village of Iola board president, said that with new complaints coming in about outdoor entertainment, the board will need to address the issue.

Schustek said the complaints were not about the music, with people saying they enjoy the entertainment, the complaints revolve around the frequency of the entertainment and the length of time the music is allowed for.

Not wanting to negate or ignore the complaints made by village residents, Schustek said this is the main reason she brought up the ordinance at the meeting.

The music and entertainment ordinance states that if there is a complaint filed to village hall that the business that it is filed against will be notified and has the option to respond to it.

During the meeting Schustek and Laura Krogwold, board treasurer, stated that eight complaints came in over the past couple weeks. The complaints were anonymous for fear of bullying or retaliation.

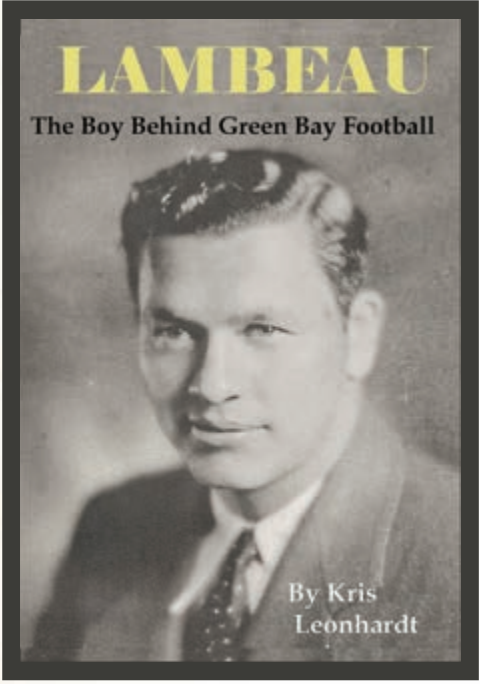

There are two complaints that came in through email. Krogwold said she has to take into consideration why the person may want to remain anonymous and if the reasoning is sound the complaint can be accepted.

The current ordinance already restricts time frames, both dates and times, stating that musical entertainment can be played on the weekends only, with Friday and Saturdays from 3 p.m. to 11 p.m. and Sundays 12 p.m. to 6:30 p.m.

The ordinance also restricts dates that entertainment is

LAMBEAU
The Boy Behind Green Bay Football
By Kris Leonhardt

The story of the beginning of the Green Bay Packers and the life of Earl Louis “Curly” Lambeau are so intertwined that it is hard to imagine one without the other.

From the streets of Green Bay, Lambeau developed a passion for football and grew that yearning into a football team that would exist long past his lifetime.

Like the Packers, Lambeau’s story is a tale of adversity and challenge, but also a story of triumph and perseverance. While his personal life and professional career were wrought with challenge, his legacy continues to resonate in the Green Bay community, including a massive structure along Lombardi Avenue that shines a light on his contribution to the professional team.

Superintendent to teach summer school

ATV safety, hunter education classes

BY BERT LEHMAN
STAFF REPORTER

CLINTONVILLE – Clintonville Superintendent Troy Kuhn will spend around 20 hours teaching hunter safety and ATV safety courses during summer school for the school district.

The Clintonville Board of Education gave Kuhn its blessing to teach the safety courses as a volunteer when it met March 10.

During the discussion, Kuhn told the board that he had been approached by several members of the community who wanted to be trained to teach hunter safety. He said in order for someone to be certified to teach a hunter safety course, they have to co-teach it with a certified instructor for a

couple sessions. In the past, Kuhn said Danielle Angotti, the district’s former agriscience teacher, taught hunter safety, ATV safety, and snowmobile safety as part of her curriculum. He added that Danielle Ellerbrock, the district’s current agriscience teacher, had more academic ideas that she wanted to do within her curriculum. “Knowing that, I’m one of the few people that can actually do this (teach safety courses) in the area,” said Kuhn.

Kuhn said if the board would allow him, he would volunteer to teach hunter safety during the first period the first two weeks of summer school, ATV safety the third week, and something else the fourth week.

“I would be willing to do that, so not only would it benefit the kids in this area, it would also help train the trainers that would like to teach it in the future,” Kuhn said. “The reason why I

think this is important, that it’s a school board agenda item, is my summer is not time off. Summer is me preparing for the upcoming school year.” Kuhn said he would be dedicating 20 hours of his summer to do the safety teaching on a volunteer basis. “I think I can do it. It’s nothing new to me,” Kuhn said. “But I just didn’t feel like I should take this on

without asking the board for permission.” Board Secretary Laurie Vollrath said she thought it was a “great idea.” Board member Glen Drew Lundt asked Kuhn if he would also be mentoring others while he was teaching. Kuhn said he would be, so those people could then teach the safety courses in the future.

Utility to flip trenchers

Sell current one to fund new model

BY BERT LEHMAN
STAFF REPORTER

CLINTONVILLE – The Clintonville Utility has plans to sell its current 2014 Vermeer Trencher, which is used to bury underground power lines, and replace it with a smaller unit that will cause less damage to the backyards of residents. The Clintonville Common Council approved the plan at its March 11 meeting. The approval included a stipulation that the smaller trenching machine to replace the current trencher would not be purchased unless the current trencher sells for at least \$45,000 on the Wisconsin Surplus website. A reserve would be placed on the sale of the current trencher, and it will not be sold unless the winning bid is for at least \$45,000.

Finance committee

The sale of the 2014 Vermeer Trencher was discussed at the March 10 Clintonville Finance & Personnel Committee meeting. At the meeting, Clintonville Utilities Manager Dave Tichinel told the committee that he would like to surplus the 2014 Vermeer Trencher, and then purchase a smaller trenching unit. He said the 2014 trencher is a huge machine. “It’s actually pretty cumbersome to get in the backyards and stuff to do underground powerlines,” Tichinel said. Tichinel said he would like to replace the 2014 trencher with a smaller machine, depending on how much money the 2014 trencher would sell for. “We’d have to get \$45,000 for the unit we got, which, it’s worth that,” Tichinel said. If the current trencher

would sell for at least \$45,000, Tichinel said the city could purchase a smaller trenching machine. A smaller trenching machine would allow for trenching work to be done in yards without tearing the yards up as much as the current trencher does. “And there’s other uses for it too,” Tichinel said. He said if the city would surplus the 2014 trencher, a reserve would be placed on the trencher. If the reserve isn’t met, the trencher would not be sold. He added that a new trencher is not in his department’s capital budget, so the only way a new trencher would be purchased, would be if the proceeds from selling the current trencher would be used. Ald. Greg Rose asked for verification that the new trencher Tichinel wants to purchase would be a smaller trencher than the current trencher. Tichinel confirmed that, reiterating that the proposed new trencher wouldn’t damage the backyards of residents as much as the current trencher does. “We’re putting in a lot more underground electric, and this unit, it would obviously have more jobs than what this (current) unit provides,” Tichinel said. “What we have right now is just a flat-out trencher, and it’s a big unit. And we could serve other purposes by having a smaller one. Plus, we wouldn’t be tearing yards up. We’ve made customers angry over it.” Rose asked if there were any projects the smaller trencher would not be able to handle. “What we (currently) have is pretty much way over-sided for what we need,” Tichinel said. Tichinel added that because the current trencher tears up backyards, the utility spends time and money restoring those yards, which includes reseeded them.

ATTENTION

Grass Height Limits & No Mow May

Notice to Clintonville City Residents: After reviewing the impact of No Mow May, the City of Clintonville has decided to discontinue participation due to a lack of evidence supporting its effectiveness in significantly benefiting pollinator populations. Residents are expected to maintain their lawns per city ordinances.

While we remain committed to environmental stewardship, we encourage residents to explore alternative, research-backed methods to support pollinators, such as planting native flowers and reducing pesticide use.

This is a reminder that City Ordinances 10.03 and 10.08 require property owners to keep all grass and weeds to a maximum height of 8 inches unless exempt by zoning. Please be sure that all grass and weeds in your yard comply with this ordinance.

Thank you for your cooperation.
Justin Mc Auly
Director of Public Works
www.clintonvillewi.gov

ATTENTION

Notice to Clintonville City Residents: The DPW-Streets Division will begin picking up yard rakings on Monday, April 7th, 2025, and end on Friday, May 2nd, 2025.

To reduce waste this year, residents are asked NOT to bag their yard rakings. Yard rakings may be raked to the terrace area (**not the street**) for collection by the leaf vac, as done during the fall leaf collection. **No plastic bags, trash, or brush are allowed.** Brush is picked up separately during the first week of each month.

Thank you for your cooperation.

Roadwork ahead

Makeover for State Highway 110

WAUPACA COUNTY – The Wisconsin Department of Transportation (DOT) will be improving 4.04 miles of State Highway 110 from north of the County Trunk AA and X intersection to the south of the State Highway 110 and State Highway 22/54 intersection in the Town of Royalton.

According to a DOT re-

port, the plans will be finalized in May. Construction is slated to start in 2026 but it could start in 2025 if funds are available.

The work: mill and resurface with hot asphalt, patch and excavate certain locations, pave full shoulders along the low side of curves at the intersections of White Lake Road, South Shore Drive and Paap Road, replace the raised island at the 110 and 22/54 intersection, replace the guardrail along near the White Lake Road intersection, replace seven

culverts, remark all of the pavement and update railroad signs north of County Trunk AA.

State Highway 110 will remain open using single lanes with flaggers except for when replacing culverts. In that case, the road will be closed to through traffic and there will be detour signs. The detour is expected to last for two to three weeks. There will be access to all properties except for short periods when the paving crew is working in front of the property.

Scholarships for Warhawks

WEYAUWEGA –The deadline for the Taylor Kennedy Folk Scholarship Foundation deadline is April 15. Two \$2,500 scholarships are being awarded. Students

must be a member of the Weyauwega-Fremont High School graduating class of 2025. They must have a cumulative GPA of 3.0. They must have been a three-

sport athlete in any one year of their four-year high school career. Apply online at www.4ever25strong.org. Students must submit one letter of reference.

Learn about Ukrainian eggs

FREMONT – Elsie Mae Yohr of the Fremont Area Historical Society will present “Ukrainian Eggs” on

Saturday, April 5 at 1 p.m. at the Fremont Historical Museum. The museum is located at N7403 State

Highway 110 in Fremont. For more information contact fremontareahistorical-society@gmail.com.

Paul Revere rides again

WEYAUWEGA – The Weyauwega Area Historical Society has organized events to celebrate the U.S. Semiquincentennial, otherwise known as America’s 250th birthday. On Tuesday, April 15 at the W-F High School at 6:15 p.m. there will be a reenactment of Paul Revere’s historic ride before the high school pops concert. They will also host a picnic before that from 5 to 6:30 p.m.

Throughout the month of April, look for the two lighted lanterns in city hall and also across the street at the old bank building

at 118 E. Main St. where fourth-grade school students have pictures on display in the window.

The historical society is participating in Two Lights for Tomorrow, a nationwide initiative to commence the celebration of the 250th birthday of the United States of America. The famous ride of Paul Revere occurred on the overnight of April 18-19, 1775. Two Lights for Tomorrow commemorates that famous ride and uses the imagery of that shining light today as a uniting call to action for all U.S. citi-

zens to celebrate and serve.

Starting April 15, 2025, the event is calling for two lights to be displayed in every statehouse in the nation. It will be a reminder that the visual of a light shining out in the darkness on Revere’s ride is not just something that mattered then; it’s something that matters today, and for our collective tomorrow.

Also, the Weyauwega Area Historical Society invites everyone for some clean-up time at Maasch Community Park on Earth Day, April 22, at 3:30 p.m.

Manawa NEWS

St. Paul’s carnival and fish fry

MANAWA – St. Paul’s Evangelical Lutheran Church and School has their annual events scheduled heading into spring starting with the upcoming Spring Carnival.

The Spring Carnival at St. Paul’s, 742 Depot Street is set to take place April 4 from 4 to 7 p.m.

The money raised at the family event helps to pay for transportation costs for school field trips.

The carnival will feature a variety of games where children can win prizes as well as a bouncy house, face

painting and henna tattoos.

There will be food and treats for sale during the event.

Moving forward there is also their annual Men’s Club fish fry April 11, with this year marking 62 years for the fund raising event.

Students in grades five through eight will work as servers and runners for carry-out dinners for the fish fry, as the fish fry is available for dine in or carry-out.

The fish fry will last from 4 p.m. to 8 p.m.

The menu includes fish, chicken strips, wings, po-

tato salad, coleslaw, marble rye bread and dessert.

The ticket cost in advance for an adult is \$17, while at the door the cost is \$18 for adults, Children ten and under are \$8 and children under five are free.

They are accepting local deliveries; however it must be done so in advance by calling 920-596-2815.

For more information on events you can head to www.stpaulmanawa.org or you can find them on Facebook at St. Paul Lutheran Church and School, Manawa.

How to survive in the woods

MANAWA – The Sturm Memorial Library will be holding a survival program for adults on April 12. Woodsy Dude will be present at the Sturm Memorial Library, 130 North Bridge Street, to teach adults bushcraft and survival skills.

Skills that will be taught include building a primi-

tive shelter, survival knots, survival rescue signals, natural cordage, igniting a fire using flint and steel, basic knife skills and dead-fall traps.

The event will take place from 9:30 to 11:30 a.m. and take place outside, so they ask that you come prepared for the weather.

If you would like to join in the program you will need to register in advance by calling the library at 920-596-2252 or you can stop in to sign up.

For more information you can head to Facebook at Sturm Memorial Library or you can go to their web site at www.manawalibrary.org.

VOLUME

FROM PAGE 4

allowed outside, starting Friday of Memorial Day weekend and ending Labor Day weekend.

The decibel level is also taken into consideration in the ordinance with the max decibel level set at 90 [about the same as a lawnmower] and is to be measured with a sound meter.

Jim Rasmussen, a village trustee, said that the first summer the music ordinance was approved that he went out to take readings all over the village, specifically close to the venues playing music themselves.

The ordinance states: “Noise measurement shall be at the nearest lot line of the premises from which the musical entertainment originates. The noise me-

ter shall be placed at least three feet above the ground and at least three feet from walls, barriers, and obstructions and all other sound reflective surfaces.” Rasmussen said he would go to the properties that filed complaints and take decibel readings with a device he said was similar to what the police department has, in an effort to ensure that the new ordinance is a fit for everyone.

“I went to the address involved and I never got anything above 60 decibels, which is lower than what I’m talking right now,” said Rasmussen. “That’s at the lot line of the property. So I guess my issue is, where are the facts and who’s telling the truth? That’s all I’m saying.”

Dave Harper, a village trustee, also brought up

the fact that it is too late in the season to take this ordinance up.

“We have to wait until fall because you have to book bands in advance,” said Harper. “And we are way too close to Memorial Day, the beginning of the season to make any significant alterations. I would say absolutely send it to the ordinance committee and then we can discuss it in September.”

Sheri Miller, owner of the Thirsty Perch, was present at the meeting and said that she is almost completely booked up for the summer. Miller said she starts booking bands well in advance of the season, being that good bands need to be booked well ahead of time, saying she already has bands booked for the 2026 season.

Children learn about \$\$\$

MANAWA – Sturm Memorial Library will be holding a story time to help teach children about financial literacy. Money Smart story time will be held April 10 at 3:30 p.m. in an effort to help teach elementary aged children how to boost their financial intelligence.

The Sturm Memorial Library, 130 North Bridge Street, is one of many state institutions that are joining in the money education week.

Money Smart Wisconsin is a campaign aims at financial literacy and education, and this year it takes place throughout the state April 5-12.

April is Financial Literacy Awareness month, according to the Department of Financial Institutions (DFI) in Wisconsin the campaign will include something the department has coined “The Big Read,” where adults are asked to read personal finance related literature to

children.

According to the DFI website, the campaign began in 2006 as an effort to increase financial literacy throughout the youth in the state.

The families that attend will also take home a complimentary book.

For more information on the event you can head to www.manawalibrary.org, or you can find them on Facebook at Sturm Memorial Library.

Waupaca County Sheriff’s report March 30

- March 24 – A New London man on Elm Street reported a vehicle knocked down his gate and sheared off a metal post.

- March 24 – The New London Police Department reported a 911 hang-up call where the caller’s father attacked his mother and the father had a gun. The caller was locked in the bathroom.
- March 24 – An Ogdensburg woman reported she gave out personal information to what appeared to be a scam caller.

- March 24 – An anonymous caller requested a welfare check on two males walking towards the Wisconsin Veterans Home and they were holding each other up. One fell into a snow bank.

- March 24 – A Waupaca man on Stoltenberg Road reported he was scammed out of \$12,000 after he gave

out personal information.

- March 24 – A Weyauwega woman on Manor Drive reported a suspicious white Chevy Cruze drove up a private driveway three times and drove around slowly. The caller stopped to ask if the driver was okay but he did not speak to her.
- March 25 – A Marion man on Seyler Street reported someone spray painted vulgar language on a snow bank.

- March 25 – A Waupaca man on Stoltenberg Road that called about being defrauded the day before stopped by the sheriff’s office to report he was scammed out of \$20,000.

- March 25 – Rawhide Youth Services reported a juvenile runaway.
- March 25 – A female caller reported she was repossessing a black Chevy Malibu.

- March 25 – A New London man on County Trunk B reported a gray car drove up his driveway, hit his garage and took off.

- March 26 – A Fremont man on Pines Road reported a suspicious car parked in a cul de sac.
- March 26 – A Fremont man on Oz Lane reported be defrauded out of \$800.

- March 26 – A Manawa man on Fuhs Road reported he ran into a wall and hit his head. He thought he had a concussion. The dispatcher said he wasn’t making sense.

- March 26 – Rawhide Youth Services reported a juvenile assaulted a staff member.
- March 26 – A Manawa man on Fuhs Road reported his mother told him to call 911 that his father was sexually assaulting him.

- March 27 – A female caller reported she had a

video of another woman taking a package off her porch.

- March 27 – A New London man on ferry Street reported an ATV rolled over onto a male.

- March 27 – A man at the Wisconsin Veterans Home reported \$24 of bingo coins were missing.
- March 27 – A New London man on Lyons Road reported a suspicious black Dodge car was parked in front of his house.

- March 28 – A female caller reported she had footage of 5-6 people she did not know going into her barn and another outbuilding.

- March 28 – A 911 caller found a woman on the ground. She did not know who she was or her phone number.
- March 28 – A Clintonville man on Yaeger Road

reported his wife was missing. She packed everything and left without warning.

- March 28 – Gateway House in Weyauwega reported a resident ran off barefoot and wearing a tank top and pajama bottoms.
- March 28 – A Waupaca man on Harrison Street reported a woman released from a mental health hold was threatening him. He hid all weapons and requested a paramedic to help calm her down.

- March 29 – A Manawa woman on County Trunk N reported someone tried to break into her shed.

- March 29 – A New London man on Huntley Road reported for the past year he has chatted with a woman from North Carolina via an app. Now he was receiving disturbing photos that indicated she might be in danger.

- March 29 – Rawhide Youth Services reported two juvenile runaways.

- March 30 – Numerous calls throughout the day about the ice storm: many trees contacting energized lines and sparking, fallen trees in roadways and many vehicles crashing or in the ditch.

- There were 11 deer-related calls during this period. Eleven controlled burns were called in. The daCare Waupaca reported a woman was bitten by her own dog. An Ogdensburg woman was bit by a cat. A Waupaca man reported a husky with a collar, harness and leash jumped into his vehicle. A Weyauwega man was bit by a dog. An Iola man reported pigs were in his yard and one went into his shed. A Hilbert man hit a turkey and it pushed in his windshield.

Obituary Notices

Arnold, Paul S.

Paul S. Arnold, age 65, of Manawa, WI, passed away peacefully at home on Sunday, March 30, 2025, after a courageous battle with cancer. He faced his illness with the same resilience and quiet strength that he carried through life, never losing his humor or love for the simple joys that made each day special.

Born on December 29, 1959, in the village of Hinsdale, IL, Paul was the son of David and Joan (Prah) Arnold. On September 6, 1996, he married the love of his life, Patricia “Patti” Smith, in Waupaca, and together they built a life filled with love, laughter, and a shared appreciation for life’s little pleasures.

Paul worked for many years at the Waupaca Foundry, where he was known for his strong work ethic and easygoing nature. Away from work, he found happiness in the things that brought him comfort: watching Wisconsin’s beloved sports teams—the Brewers, Packers, Bucks, and Badgers—cheering them on through every victory and heartbreak. He also enjoyed the beauty of nature, bird watching from his favorite spot at home, and simply watching the world go by—especially when a fancy car caught his eye. A fan of spooky thrillers, he never passed up the chance to watch a scary movie, especially if it meant sharing the fun with family and friends.

But above all, Paul’s greatest joy came from time spent with his loved ones. Whether it was a family gathering, a simple conversation over a beer, or a game day celebration, he cherished every moment. His kind heart, quick wit, and unwavering loyalty will be deeply missed by all who knew him.

Paul is survived by his devoted wife, Patti Arnold of Manawa; his children, Josh (Lindsay) Arnold of Florida, Todd (Erin) Arnold of Appleton, Zack (Tiffany) Arnold of Merrill, and Kayla (Joe) Arnold of New London; his stepchildren, Jamie Gurholt of New London and Helana Karschney of Bear Creek; former step-son-in-law Jason Gurholt of Waupaca; his grandchildren, David Mack, Aleka Arnold, Trinity Schmidt, and Drew Wagner; and his step-grandchildren, Bailey Gurholt, Breanna Gurholt, Brett Gurholt, Blake Gurholt, Lyliaanna Akright, Josh Wendt, Meyna Karschney, Brooklyn Ritchie, and Scarlett Karschney-Goza. He was also blessed with two great-grandchildren, Dior and Briella.

Paul will be fondly remembered by his sisters, Lorie (Terry) Jirschele of Hortonville and Diane “Dee Dee” (Gary) Merrill of New London; nephews, Seth (Hillary) Merrill of Neenah and Kirk Merrill of New London; and his brothers-in-law and sisters-in-law, Anthony “Tony” Smith of Waupaca, Pamela Smith-Toftum of Waupaca, Rodney Smith of North Carolina, Brian (Terri) Smith of Waupaca, Perry “Pee Wee” (Heather) Smith of Waupaca, Terry “Annie” Nicewander of Waupaca, Margaret (Dan) Bertram of Waupaca, and Kathryn Smith of Waupaca; along with numerous nieces, nephews, extended family, and dear friends.

He was preceded in death by his parents, David and Joan Arnold; his parents-in-law, Ronald and Helen Smith; his step-son, Jessie Kimball; and his brothers-in-law, Michael “Hank” Smith, Theodore “Ted” Smith, and Mark Toftum.

A Celebration of Paul’s Life will be held on Saturday, April 5, 2025, from 12:00 PM - 3:00 PM at Holly Funeral Home in Waupaca, WI. Following the celebration at the funeral home, the family invites everyone to continue sharing memories and laughter at Schueller’s Great Expectations in Waupaca. To honor Paul’s love for Wisconsin sports, guests are encouraged to come as you are, and even embrace the spirit by wearing your favorite Wisconsin sports attire. Paul will be laid to rest at Baldwins Mill Cemetery in the Town of Royalton at a later date. The Holly Funeral Home of Waupaca is assisting the family with arrangements.

Burns, Ryan

Ryan Patrick Burns age 63 passed away after a short illness with an unknown lung disease..

He was born July 2, 1961 in New London, Wi to Russell Ray Burns and Ferndell (Martin)Burns.. Passed into Eternal Life on Tuesday, March 11, 2025...

What can I say about my brother..

He was brutally honest, blunt, opinionated. Generous if he thought it was deserving.. He could be funny as

hell! Made everyone around him laugh.. He loved hunting, nature, wildlife; his gardens and his Hummingbirds. Anything to do with the outside.. Can't forget Camo, Ted Nugent and Trump! So much more I could say to describe him..

He worked at Voith for 25 yrs. Then Churney Cheese for 5 yrs before a back injury..

He will be missed beyond measure.. He was Preceded in death by his parents Russell and Ferndell. 5 siblings; Robert, Russell Jr, Richard, Roger, and Rosalie. Survived by his sister Renea: Cousins, Nieces and Nephews.. Gone way too soon..

Fly high in the big woods in the sky Ryan.

Celebration of life at New London Lanes April 12th 1 to 5pm

May, Donna

Donna Rasmussen May, 81 died on November 30, 2024, at Providence Medford Medical Center.

She was born Donna May Fosgate in Waupaca, Wisconsin to Donald Clark and Ella Christine (Rasmussen) Fosgate on May 28, 1943.

The family moved west in 1948 where they lived in Tucson, Ariz., then moved to Oregon where the family resided in Empire, The Dalles, and Roseburg. Her parents divorced and she and her mother moved to Ardmore, OK and then to Salem, OR and eventually to Medford in 1951.

Education: She attended Medford public schools until her graduation in 1961. Donna attended Southern Oregon College and received a B.A. in education in 1965. She taught at Griffin Creek, Jackson and Ruch elementary schools and received an M.A. in education from Southern Oregon State College.

Donna married Thomas L. Wooton in 1972 and resigned from teaching to raise their four children. They divorced after 20 years and Donna went on to receive a B.A. in journalism from Southern Oregon University. She was employed by the Ashland Daily Tidings and later by the Mail Tribune until her retirement.

While raising her children, she was a volunteer in Medford Schools for each of her children every year until they were in junior high. She was a Cub Scout Den leader and Girl Scout leader. She taught Sunday school at Zion Lutheran Church in Medford where she was a member since childhood. She loved to fish and attend to her backyard plants. She loved her country and worried about its future.

She said, “I owe this wonderful life to God, my family and my country.”

She was such a wonderful person – so kind, thoughtful, smart, loyal, determined, brave, hilarious. She really did light up the room. She was completely devoted to her children and grandchildren and will forever be extremely missed and loved. Thank you for being you and for all the beautiful memories that we will always hold dear and never forget. Love you bunches and bunches mama!

Her parents preceded her in death. She is survived by sons Jeremy T. Wooton (Becky) of Phoenix, OR, Matthew T. Wooton of White City, OR, Benjamin T. Wooton (Erika) of Aurora, MO, daughter Daisy C.A. Wooton (Jacob) of Medford, OR, three grandchildren and sister Carolyn Milana.

A funeral and interment was at Perl Funeral Home and Siskiyou Memorial Park, Medford, OR.

Memorial contributions may be made to St. Vincent De Paul, The Salvation Army or the Holly Theater Restoration in Medford, OR.

Zietlow, Robert L.

Robert L. Zietlow, age 73, passed away Friday, March 28, 2025 at Aspirus Stevens Point Hospital. He was surrounded by his loving family. He was born in Viroqua, WI on April 6, 1951 to Herbert and Fernie (Turner) Zietlow. On November 22, 1969, he was united in marriage to his high school sweetheart, Susan Sannes, and she preceded him in death on April 13, 2017.

Bob was a loving and devoted husband to Susan and together raised three children on their dairy farm. He enjoyed deer hunting and was an avid reader. For a time he had a trucking business and was able to travel all over the country. He enjoyed working in his shop and was a rather innovative welder. Bob was quite the social butterfly whom enjoyed conversations with everyone, especially his visits with neighbors for a drink and a game of cribbage. He also loved to attend his grandkids sporting events.

He will be dearly missed by his children: Don Zietlow of Maple Grove, MN, David (Vickie) Zietlow of Almond and Abbie (Jon) Grancorvitz of Marshfield; sister, Marlyce (Jim) Jueds of Waupaca; grandchildren, Sebastian and Ashley Grancorvitz; step-mother, Patti Zietlow; nephews: Ryan and Adam (Missy) Wehmeyer and Eric Thoe (fiancé, Sarah); niece, Stephanie (Chris) McDaniel; brother-in-law, Gregg Sannes of CA; sister-in-law, Vickie (Les) Thoe of Waupaca; other relatives, including Ryan (Amy) Zietlow and Stacie (Eric) Jacobs and friends, including “The Brothers”.

Bob was preceded in death by his parents, wife, Susan, and brother-in-law, Gregg Wehmeyer.

The memorial service will be held at 12 p.m. Wednesday, April 2, 2025 at the Maple Crest Funeral Home, with Pastor Dale Wilson officiating. Visitation will be held from 10 a.m. until the time of the service.

Special thanks to neighbor and best friend Mike Gillette for many years of help and friendship. We also extend our heartfelt gratitude to Aspirus ICU staff for their compassionate care of our family. In lieu of flowers, a memorial fund is being established.

See, Jeffrey

Jeffrey Clifford See, age 62, of Eagle River, WI, passed away unexpectedly on Thursday March 20, 2025.

Jeff was born February 5, 1963 in Kaukauna, WI and was raised in Hilbert, WI. Jeff graduated from Fox Valley Technical College with a degree in Culinary Arts. He displayed his passion for cooking as a Chef at High Cliff Supper Club and as the Food Service Manager at Rawhide where he was known for serving flavorful lunches and bringing 100’s of people together on Friday evenings to enjoy a classic Wisconsin fish fry. He wanted to live closer to his two sons, Adam & Dakota, so he moved to northern Wisconsin, to an area near where he and his boys enjoyed going camping and fishing every summer. Jeff put down his chef knives and picked up a hammer, and many other tools, as he worked in maintenance at Dairy-men’s Country Club in Boulder Junction.

Jeff enjoyed spending time outdoors, whether it was hunting, fishing, camping, or playing sports with his sons in the backyard. What was important to him was being with his family, friends and his dog, Hope. Jeff was new to being a grandpa as he had two granddaughters under two, Olivia & Lilia, but he loved and cherished every moment of it.

Jeff was known for his kindness, compassion, and love for others. He was always there for anyone and always put others before himself. Jeff was a man of faith. His family and friends miss him so much, but they take joy in knowing he gets to be with his father, Sy, and his brother, Steve, again in Heaven.

His memory lives on with his two sons, Adam and Dakota (Kelsie) See; sisters Debbie Bornemann and Amy (Curt) Fitzgerald; mother, Judy See; granddaughters, Olivia and Lilia See; nephews, Mike and Bryan Pearson; and God-child Cayden Schleicher.

Jeff is preceded in death by his brother, Steve See and his father, Sy See.

The family is working on planning a Celebration of Life. www.bolgerfuneral.com.

Mack, Gary W.

Gary W. Mack, 60 of Waupaca has passed away unexpectedly at his home on July 1, 2024

Shambeau, Thomas

Thomas Alan Shambeau passed away on Saturday, March 22, 2025 in Bonita Springs FL. Tom was born on February 26, 1941 in New London, WI, the oldest child of David A. Shambeau and Emilene (Harber) Shambeau. He graduated from Waupaca High School in 1959 and the University of Wisconsin-Madison in 1963 where he obtained a Business degree and an MBA.

After serving his country in the Army, Tom worked at the Continental Bank in Chicago, IL, where he was a Vice President of the Commercial Lending Group. In 1976, he moved his family back to his hometown.

Tom was a longtime Waupaca businessman, originally starting at Shambeau Realty, which later became Realty World Shambeau and Lyons Real Estate. He had the pleasure of working on many projects with his younger brother, Steve Shambeau. Together, among other things, they owned Charlie’s Bar, the Village Inn Motel, and countless Chain O’ Lakes/ Waupaca area properties that they remodeled and sold. Additionally, over the years, Tom enjoyed flying his Cessna.

Tom is survived by his wife of 37 years, Kristine Shambeau, his son David E. (Stephanie) Shambeau of Waupaca, stepchildren Melissa Woolsey of Waupaca, Paul Weisbrod of Little Chute, and Gwendolyn (Tim Dempsey) Weisbrod of Pewaukee. He is further survived by grandchildren Thomas J. Shambeau, Michael D. Shambeau, Sarah E. Shambeau and step grandchildren Abigail Hayes, Timothy Dempsey, Madeline Dempsey, and Kristianne Dempsey. He is also survived by his sister, Susan Shambeau, sister-in-law Mary Jo Shambeau and daughter-in-law, Elizabeth “Libby” Shambeau.

He was preceded in death by his parents, his son, Sim Shambeau and brother, Steve Shambeau. In lieu of flowers, the family asks that contributions be made the Lost Companion Animal Rescue in Saxeville or the Waupaca County Humane Society on Tom’s behalf.

A Remembrance Gathering for Tom will be held on Saturday, April 19, 2025 at the Waupaca Country Club. Military Honors for Tom will begin at 12:00 Noon, please arrive by 11:45 AM. The gathering will begin immediately following honors until 3:30 PM.

Challoner, Paul

Paul H. Challoner, age 56, of Wild Rose, WI, passed away on Tuesday, March 18th, 2025. He was born in Brookfield, WI on June 26, 1968, a son of the late Howard and Sally (Maager) Challoner.

During Paul’s life he was an avid lover of music being a musician himself. He loved collecting antiques, cooking, and laughing with those he loved. During the warmer months he enjoyed swimming and gardening. His passion for biking knew no season, you could find him biking in any weather. Milwaukee was his favorite place in the whole world, but Wild Rose and the community there was his home.

Survivors include his Children: Drew Seefeldt, Milwaukee, WI; Kayla Seefeldt, Milwaukee, WI; and a Brother: Mark Challoner, Germantown, WI. He was preceded in death by his parents.

A Celebration of Life will be held at a later date. The Holly Funeral Home of Wild Rose is assisting the family with arrangements.

STATE OF WISCONSIN DEPARTMENT OF NATURAL RESOURCES
PUBLIC NOTICE OF AVAILABILITY OF A NUTRIENT MANAGEMENT PLAN AND INTENT TO ISSUE A WISCONSIN POLLUTANT DISCHARGE ELIMINATION SYSTEM (WPDES) PERMIT No. WI-0067351-01-0
Permittee: Clinton Farms LLC, E8351 State Hwy 22, Bear Creek, WI, 54922
Facility Where Discharge Occurs: Clinton Farms LLC, E8351 State Hwy 22 & N8141 Poplar Road, Bear Creek, WI 54922
Receiving Water And Location: Surface water and groundwater within the Bear Creek-Embarass River Watersheds
Brief Facility Description: Clinton Farms LLC is a proposed Concentrated Animal Feeding Operation (CAFO) that is owned & operated by the Clinton family. Clinton Farms LLC consists of 2 sites: The Main Farm is located at E8351 State Hwy 22, Bear Creek, WI and the Poplar Farm is located at N8141 Poplar Road, Bear Creek, WI. Clinton Farms LLC currently consists of 2,365 animal units (1,150 milking & dry cows, 650 heifers, 300 calves, & 200 steers) and is not proposing to expand during the upcoming permit term. Clinton Farms LLC has total of 2,197 acres available for land application of manure and process wastewater of which 2,176 are spreadable. Of this acreage, 1,486 acres are owned, and 711 acres are controlled through contracts, rental agreements, or manure agreements. For the current herd size, Clinton Farms LLC is calculated to have 224 days of liquid manure storage available. The Department has tentatively decided that the above specified WPDES permit should be issued.

Brian.Hanson@wisconsin.gov
Persons wishing to comment on or object to the proposed permit action, or the application, or to request a public informational hearing may write to the Department of Natural Resources at the permit drafter's address. All comments or suggestions received no later than 30 days after the publication date of this public notice will be considered along with other information on file in making a final decision regarding the permit. Anyone providing comments in response to this public notice will receive a notification of the Department's final decision when the permit is issued. Where designated as a reviewable surface water discharge permit, the U.S. Environmental Protection Agency is allowed up to 90 days to submit comments or objections regarding this permit determination. If no comments are received on the proposed permit from anyone, including U.S. EPA, the permit will be issued as proposed. The Department may schedule a public informational hearing if within 30 days of the public date of this notice, a request for a hearing is filed by any person. The Department shall schedule a public informational hearing if a petition requesting a hearing is received from USEPA or from 5 or more persons or if the Department determines there is significant public interest. Requests for a public informational hearing shall state the following: the name and address of the person(s) requesting the hearing; the interest in the proposed permit of the person(s) requesting the hearing; the reasons for the request; and the issues proposed to be considered at the hearing.
Information on file for this permit action, including the draft permit and fact sheet (if required), the operation's nutrient management plan and application may be inspected and copied at the permit drafter's office, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Please call the permit drafter for directions to their office location, if necessary. Information on this permit action may also be obtained by calling the permit drafter at (920) 366-3302 or by writing to the Department. Reasonable costs (15 cents per page for copies and 7 cents per page for scanning) will be charged for information in the file other than the public notice and fact sheet. Permit information is also available on the internet at: <http://dnr.wi.gov/topic/wastewater/PublicNotices.html>. Pursuant to the Americans with Disabilities Act, reasonable accommodation, including the provision of informational material in an alternative format, will be made to qualified individuals upon request.

OFFICIAL NOTICE OF 2025 OPEN BOOK
NOTICE IS HEREBY GIVEN that pursuant to Wis. Stat. § 70.45, the assessment roll for the City of Stevens Point will be completed and open for public examination on April 21, 2025, from 8:00 a.m. to 4:30 p.m. in the First Floor Conference Room at City Hall, 1515 Strongs Avenue, Stevens Point WI 54481. Assessment information can be found online at stevenspoint.com or assessor@stevenspoint.com.
The Assessor will be available in person and via phone or email to answer questions regarding property assessments. In addition, instructional information and objection forms will be available on the City's website. These documents will assist property owners in the event they find it necessary to schedule a hearing before the Board of Review. If you are unable to view the assessment roll in person or access the City's website, please call (715) 346-1553 ext. 2 or email assessor@stevenspoint.com.
OFFICIAL NOTICE OF 2025 BOARD OF REVIEW
NOTICE IS HEREBY FURTHER GIVEN that the City of Stevens Point Board of Review will meet on Monday, April 28, 2025, beginning at 9:00 a.m. in the First Floor Conference Room at City Hall, 1515 Strongs Avenue, Stevens Point, to hear sworn testimony from property owners objecting to their assessments pursuant to Wis. Stat. § 70.47 (1). Please be advised of the following requirements to appear before the Board of Review and procedural requirements if appearing before the Board of Review:
1. After the first meeting of the Board of Review and before the Board of Review's final adjournment, no person who is scheduled to appear before the Board of Review may contact or provide information to a member of the Board of Review about the person's objection, except at a session of the Board of Review. Open Book shall occur no less than 7 days prior to the Board of Review.
2. The Board of Review may not hear an objection to the amount or valuation of property unless, at least 48 hours before the Board of Review's first scheduled meeting, the objector provides to the Board of Review Clerk written or oral notice of an intent to file an objection, except that upon a showing of good cause and the submission of a written objection, the Board of Review shall waive that requirement during the first 2 hours of the Board of Review's first scheduled meeting, and the Board of Review may waive that requirement up to the end of the 5th day of the session, or up to the end of the final day of the session if the session is less than 5 days, with proof of extraordinary circumstances for failure to meet the 48-hour notice requirement and failure to appear before the Board of Review during the first 2 hours of the first scheduled meeting.
3. Objections to the amount or valuation of property shall first be made in writing and filed with the Board of Review Clerk within the first 2 hours of the Board of Review's first scheduled meeting, except that upon evidence of extraordinary circumstances, the Board of Review may waive that requirement up to the end of the 5th day of the session, or up to the end of the final day of the session if the session is less than 5 days. The Board of Review may require objections to the amount or valuation of property to be submitted on forms approved by the Wisconsin Department of Revenue, and the Board of Review shall require that any forms include stated valuations of the property in question. Persons who own land and improvements to that land may object to the aggregate valuation of that land and improvements to that land, but no person who owns land and improvements to that land may object only to the valuation of that land or only to the valuation of improvements to that land. No person may be allowed in any action or proceedings to question the amount or valuation of property unless the written objection has been filed and that person in good faith presented evidence to the Board of Review in support of the objections and made full disclosure before the Board of Review, under oath, of all of that person's property liable to assessment in the district and the value of that property. The requirement that objections be in writing may be waived by express action of the Board.
4. When appearing before the Board of Review, the objecting person shall specify in writing the person's estimate of the value of the land and of the improvements that are the subject of the person's objection and specify the information used to arrive at that estimate.
5. No person may appear before the Board of Review, testify to the Board of Review by telephone, or object to a valuation if that valuation was made by the assessor or the objector using the income method of valuation, unless no later than 7 days before the first meeting of the Board of Review, the person supplies the assessor with all the information about income and expenses that the assessor requests, as specified in Assessor's Manual under Wis. Stat. § 73.03(2a). The City of Stevens Point has an ordinance for the confidentiality of information about income and expenses that is provided to the assessor under this paragraph that provides exceptions for persons using information in the discharge of duties imposed by law or the duties of their officer or by order of a court. The information that is provided in this paragraph, unless a court determines that it is inaccurate, is not subject to the right of inspection and copying under Wis. Stat. § 19.35(1).
6. The Board of Review shall hear upon oath, by telephone, all ill or disabled persons who present to the Board a letter from a physician, physician assistant, or advanced practice nurse prescriber certified under s. 441.16(2) that confirms their illness or disability. No other persons may testify by telephone unless the Board of Review, in its discretion, has determined to grant a property owner's or their representative's request to testify under oath by telephone or written statement.
7. No person may appear before the Board of Review, testify to the Board of Review by telephone, or contest the amount of any assessment unless, at least 48 hours before the first meeting of the Board of Review, or at least 48 hours before the objection is heard if the objection is allowed under Wis. Stat. § 70.47(3)(a), that person provides notice to the Board of Review Clerk as to whether the person will ask for the removal of a member of the Board of Review and, if so, which member, and provides a reasonable estimate of the length of time the hearing will take.
8. No person shall be allowed to appear before the Board of Review, to testify to the Board by telephone or to contest the amount of any assessment of real property if the person has refused a reasonable written request by certified mail of the assessor to enter onto property to conduct an exterior view of the real property being assessed. Notice is hereby given this 3rd day of April, 2025.

NOTICE OF HEARING
CITY OF WEYAUWEGA
ZONING BOARD OF APPEALS
Notice is hereby given that the Zoning Board of Appeals for the City of Weyauwega will meet at 5:00 pm on April 21, 2025 at the Weyauwega City Hall Council Chambers, 109 E Main Street, to consider a request for a variance from First Presbyterian Church, 200 S Pine Street, Weyauwega, Wisconsin.
First Presbyterian Church, owner of Parcel Number 35-04-70-195, located at 200 S Pine Street and 206 S Pine Street, would like to split the church and house into separate parcels. This would require a variance for the side yard setback between the house and church which will be a few feet short of what is required.
Interested parties or property owners are invited to comment on the request at the scheduled hearing or may leave written comments at the City Clerk's office up until the time of the scheduled hearing.
Publish April 3 & 10, 2025 WNAXLP

NOTICE OF PUBLIC HEARING
PLEASE TAKE NOTICE that the Historic Preservation / Design Review Commission of the City of Stevens Point, Portage County, Wisconsin will hold a Public Hearing on April 16, 2025 at 5:00 PM at 933 Michigan Avenue (Community Room – Room 122), Stevens Point, Wisconsin and via Zoom Teleconferencing to hear the following:
1. Public Hearing and action on a request from the City of Stevens Point to amend Section 22.04 of the Revised Municipal Code of the City of Stevens Point. Said request outlines the approval process for historic structures, properties and districts to be nominated on the State and National Register of Historic Places.
To participate via telephone:
1) Dial on your phone: (312) 626-6799
2) When prompted dial the Meeting ID: 829 1409 6315
3) Passcode: 238967
4) Press # again to be a participant in the meeting.
5) Hold until the meeting starts.
To participate via online zoom platform:
1) Go to www.zoom.us
2) Click "Join a Meeting" in the upper right-hand corner.
3) Enter Meeting ID: 829 1409 6315
4) Passcode: 238967
5) If you haven't downloaded the Zoom program, do so now.
Additional information on the above request(s) may be obtained from the City of Stevens Point Department of Community Development at 1515 Strongs Avenue, Stevens Point, Wisconsin 54481, or by calling (715) 346-1567 during normal business hours.
All interested parties are invited to attend, but are strongly encouraged to submit their comments to Adam Kuhn, Associate Planner/Zoning Administrator (akuhn@stevenspoint.com), prior to the meeting.

Sophia Kinsella wins a gold medal in the floor routine in Level 7 competition.

Bryleigh Keith scores a 9.300 on the beam to win gold at state.

Arianna Ostrum wins four gold medals in Level 10, including the All-Around. Submitted Photos

Russell Gymnastics take home Gold Medals

BY NICK GRIESBACH
SPORTS REPORTER

VERONA- Russell Gymnastics of Stevens Point was well represented at the Levels 6-10 state meet in Verona on March 22-23.

Three gymnasts took home first place.

Sophia Kinsella placed first in Level 7 with her floor routine posting a 9.600.

Bryleigh Keith tied for first in the Level 8 beam competition with a score of

9.300.

Arianna Ostrum took home four gold medals at Level 10, scoring 9.675 in the floor exercise, 9.800 on the bars, 9.450 on the vault and 38.150 in the all-around.

Iola-Scandinavia Baseball Preview

BY NICK GRIESBACH
SPORTS REPORTER

The Iola-Scandinavia Thunderbirds look to improve from last season, when they finished with an 8-13 record and a 5-9 record in Central Wisconsin-East play.

The Thunderbirds won their opening game of the

playoffs against Almond-Bancroft in the Regional.

They were eliminated from the postseason by Pacelli in the Regional Final.

Three All-Central Wisconsin Conference-East Honorable Mention players, infielders Carter Melum, Gavin Hoyord, and Alek Rogalla, have gradu-

ated from that team.

Iola-Scandinavia does return junior Owen Wolberg, who was named a Second-Team All-Conference member a season ago as an infielder/pitcher.

The Thunderbird's first home game is April 7, against Amherst.

Waupaca Baseball Preview

BY NICK GRIESBACH
SPORTS REPORTER

Waupaca baseball looks to recover from a 2024 season in which they finished with a 2-17 record and 2-16 in the North Eastern Conference.

The Comets lost in the

Regional against North Eastern conference champion Little Chute.

Waupaca graduate Honorable Mention members, pitcher Henry Williams, catcher Jay Nikolai and infielder Riley Bechard from last year's team.

Junior infielder Max Dolski returns after being selected as a First-Team All-North Eastern Conference selection last season.

The Comets will take on New London in their first home game on April 1.

Weyauwega-Fremont Baseball Preview

BY NICK GRIESBACH
SPORTS REPORTER

Weyauwega-Fremont looks to start off on the right foot this season as they come off a 2024 campaign where they went 6-16 and 4-10 in the Central Wisconsin-East.

The Warhawks were eliminated in the Regional against Algoma a season ago and look to secure a playoff victory in 2025.

All-Conference Second-Team member infielder Parker Wilson and Honorable Mention outfielder Eli Boelter were both 2024

graduates.

The Warhawks will look to outfielder Chris Gunst to lead the way, as he was a Second-Team All-Central Wisconsin-East selection last season.

The first home game for the Warhawks is April 1 against Pacelli.

Manawa Baseball Preview

BY NICK GRIESBACH
SPORTS REPORTER

A 5-14 record and a 3-14 finish in the Central Wisconsin Conference-East has the Manawa Wolves wanting more in the 2025 season.

The Wolves were eliminated from the 2024 WIAA

Regional by Brillion, and look to replace multiple All-Central Wisconsin Conference-East members.

First-Team All-Conference member Spencer Strebe led Manawa in hitting with a .407 batting average, Second-Team mem-

ber Dakota Stroud threw the most strikeouts for the Wolves with 34 and Honorable Mention Brady Zemple, who had a team-high 14 RBI have all graduated.

Manawa's first home game is April 12 against Wittenberg-Birnamwood.

Iola-Scandinavia opens softball season

BY NICK GRIESBACH
SPORTS REPORTER

Following a 2024 season where the Iola-Scandinavia softball team won the Central Wisconsin-East conference championship, the Thunderbirds won their first game of the 2025 campaign

at Westfield on March 27.

Junior pitcher Rayanne Clendenning started for her team, allowing six hits, three walks and striking out eight batters.

Brooklyn Berrens and Ava Printz each had four hits and drove in three RBI.

Berrens had a solo inside-the-park home run in the sixth inning. Clendenning and senior Libby Maus both had three hits, and Clendenning scored three runs.

The Thunderbirds secured the season-opening win 14-4.
