# Be aware of MPA's bills of concern

## From Missouri Press Staff

There are several bills of special concern Missouri Press continues to monitor during the General Assembly's regular session in Jefferson City.

The Association maintains a list of these bills that you can find on its website, [www.mopress.com](http://www.mopress.com). If you have any questions about the various bills on the list or if you need help talking with lawmakers, please don't hesitate to contact MPA Executive Director Mark Massen at (573) 449-4167, ext. 308 or at [mmaassen@mopress.com](mailto:mmaassen@mopress.com).

Thank you to everyone who has already reached out to legislators in support of MPA's lobbying efforts in the Capitol. It is vital that lawmakers hear from their local newspapers about concerns for legislation that will affect Missouri newspapers.

The following bills are of special concern to Missouri Press Association in 2023 in the General Assembly. Find the full list of bills of concern online at [www.mopress.com](http://www.mopress.com).

# 2023 Better Newspaper Contest template is open and **waiting**

## **Submit** your entries now

The 2023 Missouri Press Foundation Better Newspaper Contest template is open for members to begin submitting entries. If you haven't yet, start gathering your entries for this year's contest now.

All the information about the contest — rules, categories, entry instructions — is online at [mopress.com/better-newspaper/](http://mopress.com/better-newspaper/).

Entries to the contest are submitted using the BetterBNC Online Journalism Awards Platform: [betternewspapercontest.com/login](http://betternewspapercontest.com/login).

While entries will be accepted through Friday, April 7, a tiered-fee structure has been put in place with reduced costs for newspapers submitting entries earlier in the contest cycle.

### **The 2023 BNC entry fee structure is:**

Entries uploaded before April 1: \$7 per entry; and  
Entries uploaded April 1-7: \$10 per entry.

The template will close automatically at 11 p.m. Friday, April 7, and no entries will be accepted after it closes. All categories for Missouri's 2023 Better Newspaper Contest require digital entries. Please familiarize yourself with the template and ask questions as soon as possible.

You are also encouraged to consider file-sharing websites, i.e., Dropbox, Google Drive, as a method for sharing your larger entries, such as General Excellence and page design entries. There are many free options available.

If you need help entering, contact Matthew Barba ([mbarba@mopress.com](mailto:mbarba@mopress.com)) or Kristie Fortier ([kfortier@mopress.com](mailto:kfortier@mopress.com)) for assistance.

We ask members not to wait until the deadline to enter. If a significant number of people attempt to use the template at the same time, it can slow everyone down and could cause you to miss the deadline window.

**IMPORTANT:** While BetterBNC can work with other internet browsers, it is optimized for Google Chrome.

Download it at <http://www.google.com/chrome>.

**DEADLINE:** There is no need to wait until the deadline to upload your entries! The contest template will close at 11 p.m. Friday, April 7, and will not accept entries after that — no exceptions. You may begin uploading your entries now.

**ALERT:** Please try to keep file sizes under 5mb to aid judges in accessing entry content. For larger files such as Special Sections, options include Dropbox, Google Drive, or any service that lets you "share" files via URL. Please make sure the file is public or a password is provided and that it can be printed. If a file cannot be easily accessed, it could be skipped over for judging.

### **THREE TIPS TO MAKE UPLOADING EASY:**

**1.** Entries that consist of more than one piece of content should be combined into one file. This will make uploading and judging much easier. Categories include Best Columnist, Best Front Page, etc., where an entry is more than one piece. Do the same for stories that jump to another page.

**2.** Entries should have 1-3-word titles that tell the judge precisely what material on the page is to be judged. You can also use Adobe Acrobat's "highlighter" function to indicate content to be judged.

**3.** Put all your entries into one folder on your desktop.

**Please read the instructions and category listings carefully!**

Mark your calendars for Missouri Press Association's 157th Annual Convention, Sept. 21-23, 2023, at Sheraton Westport Chalet at St. Louis.

# Scientists and Inventors

Written by Carolyn Mueller | Illustrated by Nicole Hartfelder

## 2023 Newspapers in Education Series Now Available

The Missouri Press Foundation and National Newspaper Association Foundation are offering a new original free series to newspapers across the country for publication. This year, readers will enjoy a short story in each chapter about an American scientist or inventor that changed the world. Some of them made small changes – furniture that serves more than one function. Some of them made big changes – improving the way we grow the food we eat. Some of them are famous – the Wright Brothers and John Deere. Some of them will probably be new names – Lyda D. Newman and George Alcorn, Jr. All of the stories emphasize the lives of normal people who found a problem, looked for a solution, and made their dreams a reality. The chapter exercises will encourage students to find inspiration for their own discoveries in their local newspaper. The scientists and inventors are from all over the country so the chapters will resonate with newspapers and classrooms nationwide. This series will be offered free of charge to newspapers for publication on January 1, 2023 and ending on June 30, 2023. Visit [mo-nie.com](http://mo-nie.com) and use the code: **inventors** to download the entire series.
