

# BE A PAGE BUILDER

## Help Missouri Newspapers build for the future

Each year, many Missouri newspapers unite to build a foundation for preserving the past, protecting the present, and focusing on the future of our industry. The generous support we receive from these newspapers is the backbone of the Missouri Press Foundation, allowing us to accomplish much more together than we ever could apart:

- Summer Internship Program Grants
- Convention Sponsorships & Tradeshow
- MO Photojournalism Hall of Fame
- Journalism College Scholarships
- Better Newspaper Contest
- Newspapers in Education
- Young Journalist Awards
