

STEEL AND ENGINEERING COMPANY

AISC
CERTIFIED
FABRICATOR

CIVIL ENGINEER

We are a structural and miscellaneous steel fabrication company with a large design build presence in New England looking to fill an open Civil Engineer position in our Plattsburgh office.

Currently seeking applicants with a Civil Engineering degree with a focus in Structural Engineering. The position could be either full or part time, depending on the applicant. Structural steel design experience is preferred. Structural steel connection design is preferred but not required. Licensed Professional or Structural Engineers are preferred but not required. Daily tasks would include creation of analysis models, documentation of plans and details, and review of connection designs.

Full time benefits are available, and include vacation time, sick time, health insurance, life insurance, 401k and profit sharing. Pay based on experience in the salary range of \$52,000 - \$65,000 per year. Come be a part of a strong growing company!
