EVENTS

Naturita Days is June 3

By REGAN TUTTLE, Editor

The West End is bringing back Naturita Days with a big schedule on Saturday, June 3. Beginning at 9 a.m. folks can start lining up for the parade, which will begin at 10 a.m. Kids are encouraged to decorate bikes and dress up and have fun with the parade. They can register that day at the Mormon Church or in advance at Naturita Town Hall.

At 11 a.m., the new park dedication takes place to help celebrate the new space.

Kathy Cooper, town treasurer, will be there for the park dedication.

"We are going to dedicate our new park, and it will be a culmination of three and a half years of hard work and multiple sources of grants, income and in-kind donations to make it happen," Cooper said. "It turned out exactly how we'd envisioned it for Phase 1, and we hope the town and communities all enjoy it."

At 12:30 p.m., the rubber ducky race happens, and ducks can be purchased at Naturita Town Hall for \$2 each.

There will be a softball tournament happening at the same time, and music will be playing throughout the day.

Paradox Cycle is sponsoring a family fitness challenge at 2 p.m., and there will be frisbee golf and a relay race through the playground equipment and obstacles. There will be a panel of judges for the fitness challenge, which will be emceed by Brock Benson, owner and operator of Paradox Cycle. Benson said it's a perfect event for families to attend.

A build-your-own boat race was supposed to take place, but that's been cancelled due to the very swift water conditions. Because of the melting snowpack, Naturita Days organizers are moving that segment to Water Days, happening on the July 4 holiday.

Benson said organizers are still hoping for vendors for Naturita Days. Some have signed up, and others are invited to do so by contacting Naturita Town Hall at 970-865-2286. Options include having a food booth, or an arts and crafts type of booth. An option to plug into the electric exists for vendors who need power.

"They're calling and coming in and signing up," Cooper said. "It's going to be great. We have at least three food vendors, the Dark Sky booth, the Department of Energy coming, a couple of crafters. It's turning out well."

A dance is scheduled for that night, starting at 8 p.m., and Walk-In Liquor is hosting a beer garden. Benson said entry is \$5.

EVENTS

Chico and Foley take podium finish in pack burro race

Liz Foley and Chico take third in the Naturita Pack Burro Race May 20. (Courtesy image)

By REGAN TUTTLE, Editor

When Elizabeth Foley got her burro in December, it was to keep a horse company that lost its pasture mate. She got the burro from a lady in Delta who retrieves mustangs and burros from the BLM in Death Valley. She named the burro Chico and made sure he got enough to eat when Twyla, her horse, tried to run him off his food.

Since then, Twyla and Chico have become more friendly, and Chico has a part-time job carrying salt blocks up to the cattle Foley tends on the plateau.

(Foley has been a working cowboy on Colorado ranches and beyond.)

Foley didn't know about the West End pack burro race this spring, until a friend told her about it in April. Then she thought about it and decided to see if she could get Chico ready for it. Neighbors teased her a bit when she was leading him down

her road in Norwood practicing.

She began to gather the items required for the Naturita Pack Burro Race that happened May 20. Foley bought a burro saddle, and her sister gave her the gold pan for which she made leather handles. She used her avalanche shovel she takes skiing, and had a pick-axe. It took a bit of baling twine to fix it all together on Chico's back.

After the race started last weekend at Coke Oven, Foley learned her burro doesn't necessarily like

CRIME

Old Nucla school vandalized

By REGAN TUTTLE, Editor

Last week, the Montrose Regional Crime Stoppers, Inc. and the Montrose County Sheriff's Office were seeking the help of citizens to identify and locate whoever entered the old Nucla Elementary School and vandalized it on May 14.

On May 18, Commander Bruce Schmalz, of the West End, said that law enforcement had suspects who would be questioned.

The building is partially vacant, but also partially occupied. The suspects, who have been identified as juveniles, are suspected of some damage to the building, after they gained an entry to the premises. The vandalism includes mostly broken windows.

The suspects were reported by a local citizen. Schmalz said he wasn't certain of anything last week and planned to interview the kids. He said he wasn't sure what type of penalty the juveniles might face. He said there could possibly be charges, but there might also be some restorative practices that could be an option too.

Schmalz said he was meeting officials from West End Public Schools District and would know more at the end of last week. With the summer here, and young people out with more free time on their hands, he said he reminded all to make good choices.

"And I think that's probably what this was," he said. "They were out and about and found a way in and made poor choices. We are working with the district and seeing how to handle this."

Schmalz said reporting suspicious behavior in the West End is always welcome from the public.

"We certainly appreciate all information communities provide, whether that's anonymous or letting us know who they are. We can't do our job without community. It's great to have that support," he said.

Anyone with information about local crimes or the identity of any perpetrator(s) may call Crime Stoppers anonymously at 970-249-8500. They may also use the app P3 Tips, or provide information via P3Tips.com. Representatives from Crimes Stoppers have said they want information, not necessarily someone's identity.

If a tip results in an arrest, the tipster may receive a cash award. For additional information, all are invited to view the Facebook page www.facebook.com/montroseregionalcrimestoppers.

HIGH SCHOOL SPORTS

3 state qualifiers bring home medals in track

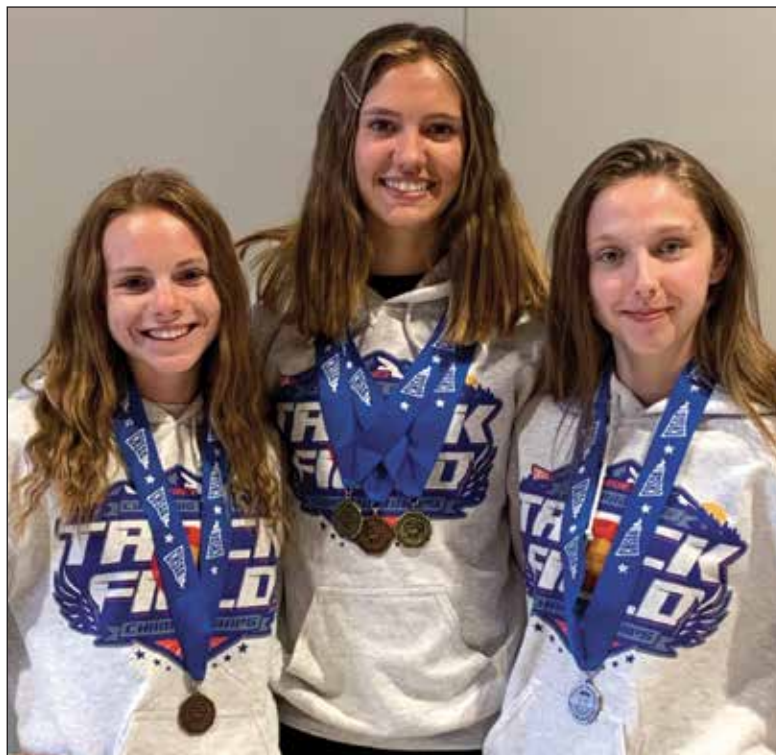

By REGAN TUTTLE, Editor

Sara Bray, principal of Naturita Elementary School and also the head coach of the combined Nucla-Norwood high school track team, had a great weekend. She and three state qualifiers attended the state track meet in Denver over the weekend, and everyone came home with medals.

Lisa Sutherland, a senior who just graduated Nucla High School a week ago, went into the state meet in first place for all three events she competed in: 100-meter hurdles, 300-meter hurdles and the long jump. Sutherland, who was the state champion in hurdles last year too, had a repeat this year and took first-place in both hurdles events again.

For the long jump, she placed third. Bray said the day was cold

WEST END VOICES

Hoof & Paw hosts summer swap meet series

Hoof & Paw

This photo shows Callie and Joker. (Courtesy image)

This summer, on the second Sunday of every month, Hoof & Paw Animal Rescue will host a swap meet in the parking lot of the Naturita Hoof & Paw Thrift Store, which is located at 321 E. Main St. in Naturita. The first meet will be June 11, and the series will run through Oct 8.

“Just don’t call it a flea market,” said Tonya Stephens jokingly. Stephens is the director of the Hoof & Paw nonprofit.

The hours will be 9 a.m. to 6 p.m. with earlier entry for vendors. Food will be available throughout the day. There will also be adoptable animals on site and a raffle. The thrift store will also be open.

If anyone has questions or would like to be a vendor, they should please call or text Sharon at 970-739-7851 or Laura at 970-729-0970. Vendor fees are very reasonable. And, of course, we could always use volunteers.

Hoof & Paw is excited to offer this opportunity to mingle with friends and family, eat a tasty burger, hang out with some adorable kittens, and maybe score a sweet deal on that lamp you have been looking for. So, put it on your calendar and make plans to meet your friends for some fun and to support the animals of the West End.

Hoof & Paw is the only animal rescue group in the West End. Its funding is driven primarily by sales at the thrift store and the generous donations of the community.

In this week’s adoptable pet spotlight, we have Joker. Joker is a darling boy that was picked up by a good Samaritan at a gas station in Arizona. He is about 6 months old and is what we affectionally refer to as a “Rez Dawg,” some sort of cow dog, German Shepard mix.

He is an absolute sweetheart. He is smart, very affectionate and very mellow for a pup his age. He comes when called, gets along great with all of the dogs at the kennel and plays endlessly with our other puppies. He is kennel-trained and sits for his dinner. He really is a darling boy and has a lot to offer. He has that lovely “old soul” energy and will be a wonderful adventure buddy but also a sweet, sympathetic and furry shoulder to lean on after a rough day. He is vaccinated and neutered.

If you are interested, give us a call or a text about sweet Joker today. The adoption fee is a suggested donation of anywhere between \$60 and \$600. All are welcome to call or text Hoof & Paw at 970-428-7568 for more information.

History: Rimrocker Historical Society Remembering Vietnam Veterans who gave the ultimate sacrifice

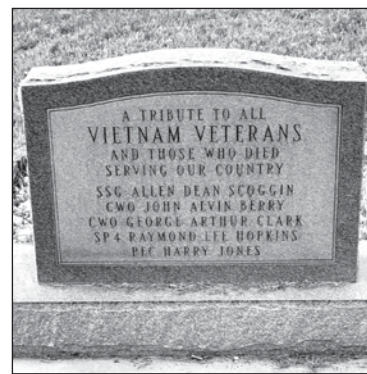

By JANE THOMPSON, *Rimrocker Historical Society*

At the Nucla-Naturita Pinon Ridge Cemetery are two memorials of local veterans who died serving their country. One is in honor of World War II Veterans, and the other is in memory of those who gave their lives in Vietnam. Each year on Memorial Day our local VFW Post honors all veterans who gave their lives for our freedom. It’s a beautiful ceremony, and it is always a good reminder that Memorial Day is a time to be with family and friends, and a time to think about and honor those who have died in our nation’s wars. It’s also become a time to remember family members who have passed on.

The Vietnam Memorial Stone at the Pinon Ridge Cemetery has five veterans names on it, SSG Allen Dean Scoggin, CWO John Alvin Berry, CWO George Arthur Clark, SP4 Raymond Hopkins and PFC Harry Jones. Information on these young men is taken from the website honorstates.org.

Enlisting in the U.S. Army, Allen Scoggin began his tour on Jan. 20, 1971, and attained the rank of staff sergeant. He was an armor intelligence specialist and was attached to the 196th Light Infantry Brigade, 17th Calvary, F Troop. SSG Scoggin died during hostile action in South Vietnam, Quang Nam Province, on May 14, 1971. Scoggin received the following Commendations: Bronze Star, Purple Heart, Combat Infantryman Badge, Marksmanship Badge, National Defense Service Medal, Vietnam Campaign Medal, Vietnam Service Medal, Army Presidential Unit Citation, Vietnam Gallantry Cross and the Army Good Conduct Medal.

John Alvin Berry enlisted in the U.S. Army, held the rank of chief warrant officer and was a helicopter pilot. Berry was attached to Headquarters Company, 1st Brigade, 1st Calvary Division. On Dec. 5, 1968, WO1 Berry was flying the lead OH-6A helicopter in a reconnaissance mission on a suspected enemy bunker complex in Tay Ninh

RHS salutes Vietnam Veterans. (Courtesy image)

Province, South Vietnam. During a pass over the complex, Berry’s aircraft received fire and crashed and burned. Both Berry and his observer, SP4 Billy K Evans, Jr. were declared “missing in action,” remains not recovered. WO1 Berry received the following Commendations: Distinguished Flying Cross, Purple Heart, Combat Infantryman Badge, United States Aviator Badge, National Defense Service Medal, Vietnam Campaign Medal, Vietnam Service Medal, Army Presidential Unit Citation, Vietnam Gallantry Cross and the Army Good Conduct Medal.

George Arthur Clark joined the U.S. Army, had attained the rank of chief warrant officer and was a helicopter pilot attached to 1st Aviation Brigade, 11th Aviation Battalion, 12th Aviation Group, 147th Aviation Company. On May 4, 1966, he was on the crew as aircraft commander and pilot of CH-47A during Operation Austin when they had mechanical failure causing them to crash in Quang Duc Province, killing all 20 men onboard. CWO Clark’s commendations were Air Medal, United States Aviator Badge, National Defense Service Medal, Vietnam Campaign Medal, Vietnam Service Medal, Army Presidential Unit Citation, Vietnam Gallantry Cross and the Army Good Conduct Medal.

Raymond Lee Hopkins entered the U.S. Army and began his tour on March 31, 1968, holding the rank of Specialist Four. His specialty was helicopter repairman, and he was attached to 1st Aviation Brigade, 11th Aviation Battalion, 12th Aviation Group, 128th Aviation Company. On Oct. 5, 1968, Hopkins died through a non-hostile action air crash on land in South Vietnam, Binh Duong Province. SPC4 Hopkins received the following commendations: Air Medal, National Defense Service Medal, Vietnam Campaign Medal, Vietnam Service Medal, Army Presidential Unit Citation, Vietnam Gallantry Cross and the Army Good Conduct Medal. He was 19 years old.

Harry Jones enlisted in the U.S. Marine Corps and had the rank of private first class. His specialty was a Mortarman, and he was attached to 3rd Marine Division, 2nd Battalion, 4th Marines, H. S. Company. PFC Jones enlisted on Jan. 3, 1967, and while he and three other marines were unloading an ammunition truck at

Camp Evans near Phong Dien in support of Operation Choctaw, an 81mm mortar round accidentally exploded, killing all four Marines. Commendations received were Combat Action Ribbon, National Defense Service Medal, Vietnam Campaign Medal, Vietnam Service Medal, Marine Corps Presidential Unit Citation, Vietnam Gallantry Cross, Marine Corps Good Conduct Medal and Marine Corps Expeditionary Medal.

These young men died in a very unpopular war, during a tough time in our country, and we owe them a debt of gratitude. Never forget the sacrifice they made for our freedoms. The Memorial Day Ceremony will be held on Monday, May 29, at the Pinon Ridge Cemetery at 10 a.m. Everyone is welcome to attend.

The Memorial Day Ceremony will be held on Monday, May 29, at the Pinon Ridge Cemetery at 10 a.m. Everyone is welcome to attend.

Chico and Foley

Cont. from Pg. 1

to be passed by other burros on the trail. That’s how she got over the water crossing leading Chico. Sometimes she coaxed him along; other times the 400-500 pound animal wanted to pull her on the trail.

“He has more ‘go’ than ‘whoa,’” Foley told the Forum Sunday night.

The rules say the animal must be led throughout the whole race. And, they held their own on the five-mile course against other teams from Seattle, Wisconsin, Delta, Eckert, Durango and Montrose.

The point of the whole thing is to remember and celebrate the mining heritage, the old days, when miners hurried to a destination in the mountains or high desert to stake a claim. The rules of the race say every burro

has to have a the required tools. No whips are allowed.

Foley lost Chico for a brief spell, but she tracked him down and went back to the place in the course she had to, in order to continue the race. They traveled along with other competitors to the top of Naturita Ridge, and down a rocky trail, ending behind Ferrell Gas at Walk-In Liquor in Naturita.

Not only did Chico get to participate in the celebration of the old mining days, but he took third place, right behind seasoned competitors. Chico and Foley won a certificate and a little bit of cash.

Afterward, at the ceremony at the West End Visitor’s Center, over barbecue donated by Holy Smokes, people asked Foley if she were

entering other pack burro races this summer. She never really planned to be on the circuit, but she just might enter another one for fun.

She said the camaraderie is awesome; so are the people who take photos and the kids who want to pet the burros. She was also impressed by the sponsors. Foley said the whole thing was well-organized and nicely run. In a drawing, she won a one-night stay at the Vestal House in Nucla as a prize, something she’s grateful for.

Chico, along with the other burros, relaxed in corrals, made of donated panels, at the ending before heading home.

“I was stoked,” Foley said of her third place win. “I just wanted to finish. It was pretty fun — and funny.”

Track

Cont. from Pg. 1

and rainy, and no competitors were really jumping that well. She's proud of Sutherland's third place finish in the long jump.

Sutherland will be running in college too. She's been invited to join the heptathlon at the Colorado School of Mines. Sutherland will be studying medical biology and has plans to work in medical research.

Bray agreed Sutherland was talented in sports and academics.

"She's incredibly bright. She's definitely top notch all the way around," coach said Monday.

Keiran Bray, coach's daughter and of Nucla, went into the state meeting sitting in third place for the 800-meter run. A junior, she came in eighth place at state.

Cadence Shaw, of Norwood, is a sophomore who had been sprinting. When she realized she may not qualify for the state meet for the

400-meter earlier this spring, she started looking at other events. She discovered there were only 11 runners in the 3200-meter, two-mile race, and the state takes the top 13 for the state meet.

Coach said Shaw jumped in late, but she'd been practicing the two-mile as a warm-up at track practices. She stayed with it, dropped time, and went into the meet in seventh place. She ended up taking ninth place — the state takes the top nine for awards — by passing the girl in front of her at the very end.

"She was super focused and took it seriously," said Bray.

On Sunday, the Nucla-Naturita Fire Department escorted the girls through town, so communities could give a warm welcome home. People stood outside and waved.

"We had a great weekend," coach said. "I'm super proud of those girls."

Additionally, Bray is grateful for her assistant coach, Nancy Booth. Booth has been a tremendous help this season. Bray, as a principal,

sometimes has duties and meetings after school and needs help getting practices started.

"I wouldn't have been able to do it without her. That's for sure," Bray said.

Now in her third season of coaching the Mustangs, she plans to stay with it. But, the team has gone through six tents the last few seasons. As a result, Bray is going to start fundraising to purchase a quality tent that will last the team. She figures they need about \$3,500 to get the one they need.

She plans to speak with local businesses in both towns to see what's possible.

Regarding the greater track team and next year, Bray said several kids were close to qualifying for the state meet this year. She will be keeping her eyes on them for next year and seeing how she can support them to getting to the next level.

"The track team is building up, and we are gaining some ground as a team sport in the West End," she said.

OBITUARY

Wayne W. Wilson

March 3, 1923 — May 6, 2023

Wayne W. Wilson, of Redvale and a lifelong resident of the area, passed away from natural causes on May 6. He had just recently celebrated his 100th birthday on March 3.

Wayne was a 1942 graduate of Nucla High School and a WWII Veteran, having served in the South Pacific on the island of New Guinea. Upon his return from the war, he met and married Edith Arlene Hilleary, of Nucla, in August 1946. She preceded him in death in April 2017.

Wayne worked many jobs in the area, including at a family-owned sawmill on Columbine, operating heavy equipment at the Vanadium Corporation of America Mill in Naturita and Union Carbide in Uravan, where he retired. In addition, he owned and operated the Triangle Cross Ranch in Redvale from 1950 until he was unable to work. He loved to hunt and fish when he was able.

Wayne was a member of the Church of Jesus Christ of Latter-day Saints and served in various callings in the church. He helped build the chapel in Naturita that still serves as the meetinghouse for the congregation today.

He is survived by his four children: James (Jim) of West Chester, Ohio; Electa Birrer of Eagle, Idaho; Donald (Don) of Redvale; and Judy of Redvale; 15 grandchildren and 41 great-grandchildren.

Graveside services will be held at the Cedar Ridge Cemetery in Nucla at 11 am, Tuesday, 30 May.

OBITUARY

Nancy R. Walker

Sept. 21, 1935 — May 13, 2023

Nancy R. Walker, age 87 of Naturita, passed away on Saturday, May 13, at her daughter's home, surrounded by family. Nancy was born on Sept. 21, 1935, in Ucola, Colo. to Homer Vance and Helen Hill Vance. Nancy spent her childhood in the Ucola area and also the Naturita area. She graduated Nucla High School and worked for the Town of Naturita as town clerk and was a volunteer for the Rimrocker Historical Society of the West End. She enjoyed painting, playing cards, camping, planting flowers and spending time with her family.

Nancy was preceded in death by her parents, Homer and Helen; her husband, Gary Walker; her daughter, Tinley Haskell; her sister, Evelyn Icke; her brother, Ronald Hill; and her grandson, Kurt Walker. Survivors include her children, Dewey Walker (Kennita) and Colene Arnold; and numerous grandchildren, great-grandchildren and great-great-grandchildren.

A graveside service will be held at the Cedar Ridge Cemetery in Nucla on Friday, June 9, at 2 p.m. A reception will follow at the family's home.

LEGAL NOTICE SAN MIGUEL POWER ASSOCIATION, INC. NOTICE OF MEMBER DIVIDENDS RETIREMENT NOTICE OF RIGHT TO CLAIM MEMBER DIVIDENDS (CAPITAL CREDITS)

San Miguel Power Association, Inc. is seeking current and former members who have not yet claimed their member dividends, also known as capital credits. In January, 2023, the co-op sent out nearly \$1 million in unclaimed Member Dividend checks to members who received electric service during the year, 1993. Many of those checks have not been cashed. Members are encouraged to check the list at <https://www.smpa.com/member-dividends>. Members whose names appear on the list may request another check to be issued. Credits that remain unclaimed or un-cashed as of June 30, 2023 will be forfeited by the member and extinguished and forever barred. Member Dividends are a benefit of being a member of your local electric cooperative. Please call 1-877-864-7311 to make requests.
