Hannah Klein and Ellyana Sand shared the volleyball team tournament experience going to Sioux Falls, SD. The two-day tournament was a great opportunity, and the level of play was outstanding. Playing at the Pentagon in Sioux Falls, highlighted

court, and college coaches in attendance as well.

5. Activities Update Scott Buntje, Activities Director, presented. The Minnesota High School league is holding a vote whether to bring 9th grade into the High School level or not. Reasons for this are cleaning up rules for summer coaching, getting rid of gray areas for summer and out of season coaching, and also for High School league

insurance coverages and bringing them into HS. We have 383 Fall athletes, and this is very comparable to our history. Numbers are looking good. Football starts tomorrow night in New London-Spicer. Cross Country and Swim opens tomorrow. Girls' soccer is off to a 2-0 start. Boys' Soccer is off to a good start as well. Weather: The MSHSL is now usings Wet Bulb temperature index for holding games or not if it's too hot. We have great numbers across the board in sports. We have three people who wish to cover for trainers at our sporting events. The percentage of people in activities remains extremely high.

A consulting company, CESO, recently conducted an audit of our Finance and HR processes. Their team surveyed and interviewed staff and administration on a variety of topics to learn of our processes. They provided recommendations of things we can do better and things we are doing well. Our results and staff feedback were both positive and effective. We could have better systems in place for making things more efficient, adding more detail on some things we offer, and other things we learned from

exit interviews, for example. 8.4 School Board Policies - Second Read
