A Christmas Greeting

When it comes to Christmas there are a lot of emotions which live in each one of us. Memories of Christmases past spent with family and friends, or experiences like Christmas on Main Street and Old Fashioned Christmas, are burned into our minds and warm our hearts when they are rekindled. I am sure for most of us, one of the best memories is seeing small children excited about Santa.

This year, as is our tradition, the Azle News and Springtown Epigraph reached out to our elementary schools and secured hundreds of Letters to Santa from our local second graders to share their Christmas wishes with us all.

As I looked over the letters, I could feel the hope, love, and innocence of the small children who wrote them. Some letters were very funny, some poignant, and others were simply warm and engaging.

The Azle News and Springtown Epigraph are YOUR community newspapers, and it is our pleasure to print these letters for your enjoyment. It is my hope the authors of the letters have a memory which they will never forget, and you readers get a smile on your face.

From the bottom of my heart, and from the staff of the Azle News and Springtown Epigraph, Merry Christmas!

- Kim Ware
