CITY OF SPRINGTOWN

Home to community spirit, pride

The city of Springtown offers several features and activities for families and children alike, making the town a great place to live, work and play.

The city offers a 33-acre park with amenities like soccer and baseball fields, sand volleyball courts and disc golf. A walking/jogging trail winds through the park and passes by an area of creek bed which hosts a set of dinosaur tracks.

"We also offer the Springtown Legends Museum which captures Springtown's rich heritage and community spirit that is still the driving force which makes Springtown the best place to be in Parker County," Assistant City Administrator Christina Derr said.

Residents and visitors to Springtown can visit the nostalgic historic square that is centered on a preserved open-air Tabernacle, the

site where events like Old-Fashioned Christmas and the annual Wild West Festival take place.

"Springtown is a unique community that is rich in history and tradition," Derr said. "One can't help but sense the community spirit and pride when visiting the city, and that is especially true during the Wild West Festival."

Derr said the city will continue to grow and create a positive environment for future generations of Springtown residents.

"As the city of Springtown moves into the future, our vision includes continuing to provide quality parks, events and activities that are geared towards creating a sense of community spirit that will carry on for generations to come," she said.

WILD WEST FEST FAQ

What kind of entertainment will be at the festival?

MADELYN EDWARDS
springtownreporter@tricityreporter.com

Shopping isn't the only activity available at the Wild West Festival. People tired of walking around can cool their heels in the Tabernacle and listen to live music. In the past, the festival has featured multiple acts during the event, but this year, there will only be one band performing — Neon Playboys. Some locals may remember this group previously playing classic country music at Springtown's RnR Event Center. At Wild West, the Playboys will be making music from 11:30 a.m. to 3 p.m.

Another Wild West entertainment option is the

gunfighting shows that take place next to the Tabernacle. Heroes of the Old West aim to present historically accurate reenactments of gunfights. Shows will take place at 11 a.m., 12:30 p.m. and 1:45 p.m.

Unfortunately, the rodeo that has occurred during Wild West in the park won't be happening this year because of pending park improvements, Springtown Area Chamber of Commerce Executive Director Terri Toone said.

In honor of this being the 40th anniversary of the festival, a special presentation will be held in the Tabernacle at noon. What will happen? You'll have to be there to find out.

staying involved in the community is a priority for Wells Fargo.

"My team and I love to support our community where we live and work," she said.

Grubis and her staff make it their mission to offer a hometown touch to your banking needs.

The Springtown branch of Wells Fargo is located at 201 S. Main St. on the southwest

corner of the Springtown Square.

The lobby and drive-through is open 9 a.m. to 5 p.m. Mondays through Fridays and 9 a.m. to noon Saturdays.

WILD WEST FEST FAQ

Where do I park?

MADELYN EDWARDS
springtownreporter@tricityreporter.com

Normally, people visiting the Springtown Square can find parking on the square, but during the Wild West Festival, there will be booths set up in those regular parking spaces.

In this case, festival goers should park near Springtown

First Baptist Church (at the corner of Farm-to-Market Road 51 and Fifth Street) or at Springtown High School (at the corner of State Highway 199 and Pojo Road). These locations will be utilized as pick-up and drop-off locations for the shuttles to transport people to the festival, free of charge. The shuttles are expected to

run from 9 a.m. to 3:30 p.m. According to the map on the Springtown Area Chamber of Commerce's website, the pick-up/drop-off site at the festival will be near Highland Furniture.

For more information, call the chamber at 817-220-7828.

WILD WEST FEST FAQ

What can kids do at the festival?

MADelyn EDWARDS

springtownreporter@tricityreporter.com

For younger attendees of the Wild West Festival, there will be plenty for them to do in the children's area, located in the park behind Wells Fargo. Activities include bounce houses, an obstacle course, a rock-climbing wall, a train, horse rides, a petting zoo and a remote-controlled racecar game.

Jennifer Conway, former Springtown Area Chamber of Commerce president and organizer of the children's area, is also hoping that a puppet show performed periodically by Real Family Fellowship can make it to the event.

"They were out at Wild West years ago, but it's been several years," Conway said. "They finally are able to come back."

Other local churches will also have booths in the children's area. Springtown First Baptist Church will host a dunk tank, and Hilltop Family Church usually holds drawings for kids' bikes and a gift card for adults, Conway said.

Radio station 95.9 FM The Ranch will be on site at Wild West Festival for a second year and will be in the children's area. Conway said Leonardo the Bubbler of Next Level Bubble Parties is also expected to make a few appearances, which she said

was a hit with children last year.

"It gave something else for the kids to see and do that they don't always get to," Conway said. "That's kind of like how the horse rides are. You think we live in the country, but a lot of people haven't seen a horse or been on a horse or touched a goat, and they get really excited to do that stuff."

Overall, Conway expects this year's festival in the children's area to be successful and hopes that the weather will be nice that day.

"I have to admit, we really have a good time in the children's park," she said. "We have a lot of activities, and the energy is real high."

This donkey made an appearance at Springtown's Wild West Festival last year.

Urgent Care continues to support the community by treating anyone and everyone through the medical services they offer and by supporting Springtown's Wild West Fest. Colleen Thurman, FNP, is on the left and Baleigh Morgan, lead medical assistant and NCT x-ray technician, is on the right.

URGENT CARE

Native Texans with decades of experience

Urgent Care is a local, community-based health-care provider founded by Dr. Brian Nelson and Dr. Foad Farahmand in Cleburne in 2018. Both doctors are native Texans, each with more than a decade of experience in more than 250 emergency rooms across the state. They recognized the need for accessible, cost-effective medical care in rural communities where hospitals are scarce.

Nelson and Farahmand's vision was to create a clinic that offers high-quality care for nonlife-threatening conditions, aiming to reduce unnecessary emergency room visits and provide a more convenient healthcare option for families and individuals.

Urgent Care prides itself on being community-oriented, offering same-day ap-

pointments and walk-in services. Their walk-in hours are Monday through Saturday from 8 a.m. to 8 p.m. and Sunday from 11 a.m. to 7 p.m.

Urgent Care also sees children of all ages. From school physicals to sudden illnesses, to vaccinations, the clinic provides most pediatric services available.

With locations in Lancaster, Benbrook, Azle and Cleburne, Urgent Care is dedicated to delivering "acute care" for short-term medical needs that are not life-threatening. Its slogan, "From the room to the tomb," reflects the commitment to comprehensive patient care.

The Azle Urgent Care is located at 601 Northwest Parkway, Suite C. The phone

number is 682-317-1193.

The clinics offer a range of services including treatments for flu, colds, sinus and ear infections, pink eye, bronchitis, strep throat, Lyme disease and more. They also provide Covid-19 antibody RAPID and PCR testing.

Urgent Care accepts Medicaid, Medicare and over 40 different health insurance plans. It is proudly authorized by the VA, offering free services to veteran patients and accepting TriCare and TriWest. Additionally, Urgent Care provides pediatric care for children of all ages, including school physicals, sudden illnesses and most vaccinations.

CDC Reports: Household Falls Are The Leading Cause of Injuries In Seniors

If you have ever seen the Life Alert commercials, then you will immediately have a picture in your mind of an elderly lady laying on the floor desperately trying to get up only to discover she is not able to. Whether she is just weak, has broken a hip or caused some other serious injury this image of helplessness is constantly on the mind of our elderly patients.

Working with seniors over many years it has become apparent that the greatest common fear is the fear of falling and not being able to get back up. **This is not unreasonable as 1/3 of all adults over 65 will fall this year and each fall is potentially life changing.**

Falling should not be your lifestyle

Falls often lead to hospitalizations, serious injury or the need for assisted living of some sort. In the most severe cases a fall can lead to death. If the fall, injury, and hospitalization isn't bad enough, frequent falls lead to loss of independence, limits in your daily activities, and increase your reliance on friends and family members to complete basic everyday tasks.

With the right information and the right guidance many falls can be prevented, keeping you out of the hospital and Nursing Homes. Here is what one of my patients had to say:

When I came to Moss, I had trouble walking due to no balance. I was not able to get in and out of a car, I was not able to do my activities. After my therapy I am able to walk and continue with my shopping and light house work. I can do this all un-assisted thanks to my therapy. – Evelyn Tinney

If you are embarrassed or reluctant to use a cane or walker because it makes you "look old" or if you feel like a burden to those around you because you need to hold on to someone when you walk or ask them to run your errands...

PINNACLE BANK

Pinnacle always available to help in banking, life

Lending a helping hand is just part of living in a small town.

The staff at Pinnacle Bank, sponsors of the 40th annual Wild West Festival, knows all about helping its neighbors both in the banking business and in life.

The bank's sponsorship of the annual festival is just one way Pinnacle Bank gives back to Springtown. Its support of Wild West Festival has a lot to do with its focus on community banking — a concept fostered by the home office in Nebraska several decades ago. Pinnacle Bancorp was

founded by a Nebraska banking family in 1938. That same family runs the organization today.

With the backing of a large organization, the Springtown bank can provide its customers with all the services they need — from free checking and debit cards to an array of online banking services. The bank also specializes in consumer, commercial and real estate loans.

Paige Slate, market president, says she feels blessed to work for a company that allows the Springtown branch to invest time and

money in the community.

To see how much Pinnacle Bank values the community, see the stories at whycommunitymatters.com.

To use the bank's online services, visit www.pinnaclebanktx.com. Call 817-220-5504 with any questions you may have.

Pinnacle Bank is located at 726 E. State Highway 199 in Springtown. The lobby is open from 9 a.m. to 4 p.m. Mondays through Thursdays and 9 a.m. to 6 p.m. Fridays. The drive-through is open 8 a.m. to 6 p.m. Mondays through Fridays and 9 a.m. to noon Saturdays.

Employees of the Springtown branch of Pinnacle Bank are, from left, Hayden Holbrook, Shelby Cucuta, Kathy Lockhart, Paige Slate, Cynthia Salas, Erin White, Mindy Matthews and Eli Clelland.

FRONTIER DENTISTRY

Preventative, consistent and thorough care

Frontier Dentistry is located at 129 E. First St. in Springtown. For more information, visit larrymurphydds.com or call 817-523-4648. Pictured are (L-R): dental assistant Maddie, dental hygienist Sarah, Dr. Caroline Miller, D.D.S., front desk receptionist Yuliza and office manager Christy.

Nestled in the Springtown square is the office of Frontier Dentistry, whose team helps to create the best smiles for everyone who walks in the door. The office emphasizes preventative, consistent and thorough care for its patients.

At Frontier Dentistry, each patient's overall health is considered, not just their mouth. Exams include oral cancer screening, TMJ and airway analysis, traditional tooth, periodontal (gum) and orthodontic checks.

The office uses technology such as intraoral (inside the mouth) cameras, panoramic x-rays and a digital scanner to help evaluate and treat patients. Other technology used includes a diode laser for soft tissue treatments like lip tie releases, gum trimming and ClearCorrect clear aligners to straighten teeth without braces. The office also has a periodontist who makes

visits each month to better accommodate patients who need surgical treatment such as extractions, implants and gum grafting.

After 40 years, Dr. Larry Murphy retired from the practice and Dr. Caroline Miller came to the office. Miller is from Blanchard, Louisiana and now lives in Decatur. Miller acquired her bachelor's degree from Southern Arkansas University while competing on the rodeo team. She acquired her DDS degree from The University of Texas School of Dentistry in Houston. She is a member of the American Dental Association, Texas Dental Association, Academy of General Dentistry and the Christian Medical and Dental Association.

Dr. Hassan Asghar, DDS, MS values patients' health and happiness while providing quality care. He received his post doctorate degree in

periodontics and a Master of Dental Science from Saint Louis University Center for Advanced Dental Education.

The team at Frontier Dentistry also includes Sarah, Maddi, Julie and Christy. Sarah, is the office's registered dental hygienist. She acquired her degree in dental hygiene from the University of Louisiana in Monroe. She provides patients with individualized care to address their dental and gum health. Maddi is the office's registered dental assistant and aids Miller in dental procedures. Julie is the front office secretary and part-time registered dental assistant. Christy is the office manager; she aids patients with treatment plans, accounting and overall patient satisfaction.

Springtown Mini Showstoppers wave their pom-poms at the crowd during last year's Wild West Festival parade.

The Parker County Sheriff's Posse, a private riding club dedicated to preserving Western culture, struts through Springtown for the Wild West Festival parade in 2023.

WILD WEST FEST FAQ

How can I enjoy the annual parade?

Of all the activities available at the Wild West Festival, the parade sticks out as one of the most spectacular. It's also where the community's youth have a chance to shine.

Last year, the procession was filled with floats by Springtown 4-H Club, pee-

wee athletes, varsity football players and Springtown FFA as well as Springtown High School cheerleaders, Showstoppers, the Sound of Springtown and the Parker County Young Marines marching on foot. The parade also included classic cars, tractors, the Parker

County Sheriff's Posse on horseback and floats helmed by local churches, organizations and the Springtown City Council.

This year's parade will begin at 10 a.m. Sept. 21 starting at State Highway 199 and Hilltop Drive. The procession will travel west on SH

199 before turning north on Farm-to-Market Road 51. After passing the square, the parade will go down Second Street by city hall and then finish at Springtown Elementary School.
