Thursday, July 20 - Weekly/All Class Feeders

Market Report — June 22, 2023:
Had a steady market for our Thursday, June 22 auction, sending our top fats out at 182.50. We followed with another good run of weigh cows and bulls, finding that market to have a spark, calling it 3 to 5 higher. As I have stated before this looks like a good time to sell your mature bull and weigh cows that you need to move soon. We finished the afternoon with a short run of feeders, bred cows and cow/calf pairs. If you want to move any stock, please give us a call and we would be more than happy to stop out and visit with you.
