"Eastern Nebraska's newest and most modern Livestock Market"

Thursday, July 13 - Weekly/Breds/Pairs  
Thursday, July 20 - Weekly/All Class Feeders  
Thursday, July 27 - Weekly

### Market Report — June 29, 2023:

Had some good sets of fats in town for our Thursday June 29th auction gathering a top of 183.00. We followed with another good run of weigh cows and bulls, finding that market to be extremely active all the way through. We did get some of those top cows as high as 129.00 and bulls reaching 140.00. It looks like the right thing to do if you are done with those mature bulls, getting them down the road to save on the feed bill. We finished the afternoon with a short run of feeders, bred cows and cow/calf pairs If you want to move any stock, please give us a call and we would be more than happy to stop out and visit with you.
