ELKHORN AGENCY, LLC ANNOUNCES ASSET PURCHASE AGREEMENT WITH AGRI-CITY INSURANCE, LLC

Norfolk, NE (June 30th 2023) - Elkhorn Agency, LLC, a subsidiary of Elkhorn Valley Bank & Trust to announce it has entered into an asset purchase agreement with Agri-City Insurance, LLC whereby Agri-City Insurance, LLC will acquire the assets of Elkhorn Agency, LLC and operate all existing offices of Elkhorn Agency Insurance in Norfolk, Wayne & Albion.

"Our commitment and primary focus at Elkhorn Valley Bank & Trust is to provide our clients with the very best banking experience possible. While it was fashionable in previous decades for many community banks to expand into other financial services such as insurance, we feel it is in the best interest of our insurance clients to be served by an organization that has this same level of commitment and focus on insurance. We sought to identify an insurance partner with aligning values, a record of exceptional service and a commitment to our local communities. We believe Agri-City's experience in the industry, similarity in product offerings, local ownership and commitment to the communities they serve is a great fit and will allow our insurance clients to be provided with enhanced service, more flexibility and access to even more insurance options while continuing the convenience of doing business at our existing bank locations."

Elkhorn Valley Bank & Trust shares mutual clients with Elkhorn Agency and will strive to make the transition for Elkhorn Agency's clients as seamless as possible. Elkhorn Agency client's existing policies will remain in place with no changes. Existing agency offices will remain open with the majority of agency staff continuing to professionally serve their clients as employees of Agri-City insurance. We look forward to working along side the professionals at Agri-City Insurance in providing excellence in financial services for our shared clients.

SEWER CLEANING NOTICE

During the next couple of weeks, the City of Wayne Sewer Department will be having sewer mains cleaned in various parts of the City. While a considerable amount of cleaning will be done in the northern part of the City, there are a number of other small areas that might also be cleaned.
Please watch for notices on your front door from the Sewer Department.

In this process, high pressure water is forced through the sewer pipe to clean it. This pushes solid materials to the manholes so they can be removed by vacuuming. This entire process is necessary to keep obstructions out of the sewer system and to insure proper drainage of waste.

Residents should be aware that when this process is done, the high pressure water pushes the air in the sewer line which occasionally enters the private sewer lines into homes and businesses. If this happens, it usually results in the air exiting through toilet bowls, shooting the water out of the toilet bowl. This air should exit through the sewer vent of the building, but inadequate venting or location of toilets can cause the air to exit through the toilet. This is a rare occurrence, and keeping the lid closed on the toilet during this time will keep most of the water in the bowl rather than on the floor.

If you have any questions about the sewer cleaning process or the areas the sewer main cleaning will take place, you may call the Wastewater Treatment Plant at 375-5250.

"Eastern Nebraska's newest and most modern Livestock Market"

Thursday, July 27 - Weekly

Thursday, August 3 - Weekly/Special Fall Breeds

Thursday, August 3 - Weekly/Special Fall Breeds

Market Report — July 13, 2023:

Had a short run of fats not giving a true test on the market, sending the top fats out at 176.25. We followed with a good run of weigh cows and bulls finding that market to stay steady from the past weeks. Not to sound like a broken record but if you have some weigh cows around it looks like a perfect time to get wheels under them. We finished the afternoon with a short run of feeders, bred cows and cow/calf pairs. Just a date to remember, our BBQ Auction is Monday August 21st. If you are wanting to move any cattle for this sale. Please give us a call and we would be happy to stop out and visit with you about your stock.
