**Market Report — August 31, 2023:**  
Had some good sets of fats in town for our Thursday  
August 31st auction, finding the market to be fully  
steady from the past weeks, sending those top steers  
out at 184.75. We followed with a good run of  
weigh cows and bulls, finding that market to maybe  
gain a bit of steam. We finished the afternoon with  
a short run of feeders and cow/calf pairs. If you  
want to move any feeders, a date to remember will  
be Monday September 18th with some super sets  
starting to come onto the list, please give us a call  
and we would be happy to stop out and visit with you  
about our upcoming specials.

# Suicide Prevention Month

## September is National Suicide Prevention Month

Since 2008 the month of September has been declared National Suicide Prevention Month.

Suicide has been influencing people's lives for centuries, and still the rate of suicide continues to climb. According to the 988 Suicide and Crisis Lifeline, "For every 1 person who dies by suicide annually, 316 seriously consider suicide, but do not kill themselves." The Poison Center continues to see an increase in calls related to ingestions with the intent of self-harm.

In the U.S, we are beginning to destigmatize mental illnesses and offer resources for people in crisis. We also have community support organizations for those who have had their lives touched by a completed suicide.

Save these numbers into your phone, give them to your loved ones and post them for others to see. We need everyone to spread the word that there is help available for everyone. You are not alone.

988 Suicide and Crisis Lifeline – Phone, text (English only), and chat support available 24/7

In English – 988 or [www.988lifeline.org](http://www.988lifeline.org)
