## November is National Caregivers Month

November is set apart as National Caregivers Month. National Caregivers month is where we take the time to recognize and give praise and support to the 78 million people who dedicate their time, often unpaid, caring for a family member in need. Families are often the primary source of support for older adults and people with disabilities. While caregivers should be celebrated every day, this is a time to recognize and honor caregivers nationally, raise awareness around caregiving issues, educate communities, and work to increase support to our nation's caregivers. The devotion and love that these people show to their loved ones therefore quite rightly ought to be celebrated. We at the Wayne Senior Center would like to celebrate and Honor our current and past caregivers throughout the Month of November. Join us the last Wednesday of every month at 10:00 a.m. for our monthly caregiver's support group held at the center. Also, check out our monthly newsletter for special events throughout our busy month in November to say "Thank You" for all you do!

**General Information:** This auction presents an opportunity to invest in high quality Wayne county farmland offered in four individual tracts. This farm has been held in the Lage family for many years and has been well cared for. This is a high quality farm in a strong demand area with competitive grain markets and several feedlots nearby. The buyer will receive full possession for the 2024 growing season. Possession of the home and building site will be granted upon closing. This will be a live auction with online bidding also available by registering through our website. We welcome your inspection of these farms. Call for FSA information, tile map, and all other relevant details!

**\*\*The successful high bidder will receive choice of any Tract with the privilege and option of taking multiple tracts, combinations, or the entire farm for the same price per acre bid.\*\***

**Tract #1:** 80 Acres +/- (S 1/2 SW 1/4 of Sec. 33, Twp. 25N, Rg. 3 E, Wayne Co., NE)  
Parcel #0001359.00 2022 Tax: \$4,618.72  
This is a very productive tract of cropland that is 100% tillable. Soils consist of silty clay loam and silt loams. Topography consists of rolling hills and the farm has excellent road access. Small tracts of productive cropland like this are difficult to find. This tract had 76.94 acres of corn planted in 2023.

**Tract #2:** 88 Acres +/- subject to completion of survey (Part of the N 1/2 SW 1/4 of Sec. 33, Twp. 25N, Rg. 3 E, Wayne Co., NE)  
Part of Parcel #0001355.00 2022 Tax: Approximately \$4,957.04  
This is another small affordable tract of productive cropland. The property offers good road access, high yielding loam soils, and varying topography from rolling upland hills to heavy bottomlands along the creek. Portions of this tract have been tiled. This is an opportunity to expand your current farm operation or add a small tract to your farmland investment portfolio. This tract had 77.9 acres of corn planted in 2023.

**Tract #3:** 112 Acres +/- subject to completion of survey (Part of the S 1/2 NW 1/4 & NE 1/4 NW 1/4 All in Sec. 33, Twp. 25N, Rg. 3 E, Wayne Co., NE)  
Parcel #0001355.00 2022 Tax: Approximately \$6,308.96  
This is a tract of quality cropland with the right combination of small timber areas to offer great hunting opportunities as well. The property offers good road access on two sides, productive soils, and rolling topography. Portions of this tract have been tiled. This tract had 16.51 acres of soybeans and 78.94 acres of corn planted in 2023.

**Tract #4:** 160 Acres +/- (SE 1/4 of Sec. 32, Twp. 25N, Rg. 3 E, Wayne Co., NE)  
Parcel #0001352.00 2022 Tax: \$11,006.38  
This tract offers a combination of productive cropland and an older farmstead. Improvements include an older four-bedroom home, machine shed, 16,000 bu. Brock grain bin, 6,000 bu. Sioux grain bin, and a small Harvestore Silo. The mature timber on this parcel offers great protection for livestock. Portions of this tract have been tiled. The farm has excellent road access on two sides. This tract had 69.51 acres of soybeans and 71.7 acres of corn planted in 2023.

**TERMS:** Cash with a 15% non-refundable down payment the day of the auction, and the balance payable in certified funds on or before December 15, 2023, the date of closing. Buyer will receive possession of the farmland and building site on January 2, 2024 and possession of the grain bins on March 1, 2024. Owner's policy of title insurance will be divided equally between buyer and seller. Sale is not contingent upon buyer financing; all preliminary financial arrangements must be made prior to the sale. Property to be sold "AS IS" with no warranties or guarantees implied. Information herein was obtained from sources deemed reliable, but Broker makes no guarantees to its accuracy. All prospective bidders are urged to fully inspect the property and condition, and rely on their own conclusions. The property is sold subject to existing easements, restrictions, covenants or reservations of record, if any. Bidding increments are solely at the discretion of the auctioneer. Sale is contingent upon seller confirmation; however, it is their desire to sell to the highest and best bidder.
