WEST POINT LIVESTOCK AUCTION

"Eastern Nebraska's newest and most modern Livestock Market"

Thursday February 22: Weekly/Special All Class Feeders
Monday February 26: Pre-Condition Feeders 10:30 AM

Market Report: February 15th, 2024:

Had some good sets of fats in town for our Thursday February 15th auction, gathering a steady market from past weeks. The top fats went out at 177.25. We followed with another good active weigh cow and bull market getting those good fed cows in the high teens. We finished the afternoon with a short run of feeders and an outstanding run of bred heifers and cows. We did have some great sets of cows in town finding excellent demand all the way through. If you want to move any stock, please give us a call and we would be more than happy to stop out and visit with you about our upcoming specials. Our next pre-condition feeder calf auction is February 26th, showing 2500 head of excellent quality calves.
