Thank you! Thank you! Thank you from the bottom of our hearts! The Boyle and Johnson families cannot thank you enough. The amount of time and effort put into the benefit was amazing, and we appreciate it so much. Every part is appreciated, from donating or bidding on auction items, donating food and desserts, attending and assisting with the benefit. We thank you for your continued prayers for Thayne, Colter, Taylor and Couy.

Special thanks to Ken Jorgensen and The Max, Shani Ramirez, Marcia Dorey, Holly Doring, The Max crew, Cody and Madison McAfee, the Wakefield Covenant Church, Pastor Jill Craig, Sidney Biggerstaff, Tom and Nicki Decker, Wakefield Alumni Basketball and especially our communities. I know we are missing a lot of people who helped, so please forgive us. We are amazed and in awe by everyone's generosity. It will help Couy and Taylor focus their attention on Thayne and allow him to continue to grow and develop in the months to follow. It is amazing! God is good all the time! All the time, God is good! Keep on praying!

## CITY NOTICE

The Wayne Public Works Department wants to remind all residents that blowing lawn mower clippings into the street is prohibited and is a violation of City Code, Section 78-237. These grass clippings and other such debris left on the street will travel to the storm sewer inlet and can block them. The blocking of the inlets can cause local flooding from storm water accumulation.

Because the water from the storm sewers runs into Logan Creek, the grass clippings can negatively affect the creek with the chemical content in the grass from lawns that have been fertilized and treated with weed killer.

When mowing, please mow the first few rounds so that the grass blows in towards the lawn and when finished, sweep up the grass that has been thrown into the street.

We thank you for your cooperation during this mowing season.

Joel Hansen, Street and Planning Director

Vote by Mail or In-Person by May 14th!

## Cindy's Priorities

### Healthcare Accessibility

Cindy will prioritize legislation that helps strengthen rural healthcare offerings and reduce barriers to healthcare for Nebraskans.

### Investing in Education

She will oppose legislation that strips resources from public schools, or bills that seek to prioritize urban school systems on the backs of rural school districts.

### Property Tax Reform

Cindy will work to find sensible ways to reduce our property tax burden without sacrificing important services or nickel and diming hard working Nebraskans and small business owners.

It shall be the duty of each owner, owner's agent, and occupant of any lot, tract or parcel of land in the city to cut and remove from such lot, tract, or parcel of land, together with half of the abutting streets or alleys, excessive growth of weeds, grasses or worthless vegetation. Such growth shall be cut as close to the ground level as possible and shall be maintained as close to the ground level as possible throughout the period of May 1 to October 15 of each year.

It shall be unlawful for any owner, owner's agent or occupant of any premises described in subsection (a) of this section to allow to grow or to maintain any weeds, grasses, or worthless vegetation 12 inches in height or greater.

The City Administrator or his or her designee shall cause to be published in a legal newspaper of general circulation throughout the city for one time at least ten days before May 1, and on any other date designated by resolution of the council, a general notice to owners, owner's agents, or occupants of real estate within the city to cut and remove excessive weeds, grasses and worthless vegetation 12 inches in height or greater from such premises.
