SALUTES OUR HOMETOWN HEROES

The challenges of everyday life can be discouraging. That's why Wayne State is so grateful for the everyday heroes who help make the world a better place. Whether it's a comforting word or other acts of love, compassion, and service, we are proud of those folks who help others despite their own struggles. These are the true heroes.

We salute the Hometown Heroes in our community and on our campus who are doing what they can, big or small, to help provide a sense of unity, normalcy, belonging, and love.

Thank you!
