Official Ballot Initiative Language
Shall the City Council of the City of Wayne, Nebraska, increase the local sales and use tax rate by one-half of one percent (0.50%) upon the same transactions within the City of Wayne on which the State of Nebraska is authorized to impose a tax, with all revenues generated by the additional one-half percent (0.5%) to be used for public infrastructure projects of the City, which shall include recreational facilities of the City, under the following terms and conditions?

(1) Purpose of Tax. Revenues generated by the additional one-half of one percent (0.50%) shall be used to pay the costs to construct, acquire, improve, furnish, and equip public infrastructure projects, which shall include recreational facilities of the City.

(2) Period of Tax. The increased sales and use tax rate will be implemented and related revenues collected beginning as soon as practicable after voter approval and continuing for a period of ten (10) years, unless bonds are issued with some or all of the additional revenues pledged for payment of such bonds, in which case the increased sales and use tax rate will remain in effect and additional revenues will be collected until payment in full of such bonds and any refunding bonds.

(3) Interlocal Agreement. The City of Wayne and Wayne County School District 0017 have entered into an Interlocal Agreement for the long-term development of unified governance of public infrastructure projects in the City. Additional revenue collected from the additional one-half percent (0.5%) sales and use tax will not be used for the purposes of such Interlocal Agreement, but will be used for the City's public infrastructure projects, including recreational facilities, as described above.

VOTE FOR or AGAINST
I vote FOR authorizing an increase of one-half percent (.5%) in the City of Wayne's local sales and use tax under such terms and conditions.

I vote AGAINST authorizing an increase of one-half percent (.5%) in the City of Wayne's local sales and use tax under such terms and conditions.

If a majority of the votes cast upon such question shall be in favor, then the governing body of the City of Wayne shall be empowered as provided by Section 77-27,142 to levy said sales and use tax and shall proceed to impose a tax pursuant to the Local Option Revenue Act. If a majority of those voting on the question shall be opposed to such tax, then the governing body of the City of Wayne shall not impose such sales and use tax.

FOR LEGISLATURE

Cindy's Priorities

Healthcare Accessibility

Cindy will prioritize legislation that helps strengthen rural healthcare offerings and reduce barriers to healthcare for Nebraskans.

Investing in Education

She will oppose legislation that strips resources from public schools, or bills that seek to prioritize urban school systems on the backs of rural school districts.

Property Tax Reform

Cindy will work to find sensible ways to reduce our property tax burden without sacrificing important services or nickel and diming hard working Nebraskans and small business owners.
