Thursday September 12 Weekly

Market Report: Aug. 29, 2024:
Had some good sets of fats in town for our Thursday August 29th Auction, finding a fat market that may have taken a step back, sending our top fats out at 186.50. We followed with the weigh cows and bulls, also finding a bit more pressure with the bulk of the cows from 118-129. We finished the afternoon with feeders and bred cows, finding excellent activity all the way through. We will be back on Monday September 16th with another good run of calves and yearlings. If you want to move any stock, please give us a call and we would be happy to send one of our team to visit with you about our upcoming specials.

WSC is accepting applications for the following positions.

WSC offers a competitive salary and an excellent benefits package including health/dental/vision insurance, retirement, tuition assistance (employee/family), paid leave time and paid holidays.

Office Assistant II (School of Education and Behavioral Sciences): This is an advanced classification that performs complex clerical and reception work involving common office practices and procedures and requiring knowledge of standardized policies and procedures and confidentiality in the disposition of work matters. Work requires some independent judgment, problem solving, and minor decision making skills based on established policies and guidelines. Performs varied tasks such as maintaining and processing employee or student records and information and reception and clerical support for the office or department. Work includes producing reports and documents from rough draft or verbal instruction; transcribing and distributing meeting minutes; and coordinating appointments, meetings and travel arrangements. Limited leadership may be exercised over small teams of co-workers or student employees.

Maintenance Repair Worker III (HVAC & Plumbing): This is a skilled classification level to perform advanced maintenance and repair in buildings, facilities and grounds. Work involves primary responsibility for activities in any one or more of the following craft areas: energy operations, HVAC, plumbing or related disciplines. Work involves extensive trouble-shooting skills; the ability to inspect and diagnose the exact nature of complex problems and make necessary repairs; utilization of advanced preventive maintenance techniques; and, the ability to read, analyze and interpret technical data. Work must be performed in accordance with all applicable building codes, departmental policies, procedures and protocols. Work environments will consist of indoor, outdoor, independent work or as a part of a team.

Maintenance Repair Worker II (Grounds): This is a skilled classification level to perform general maintenance, repair, and construction activities within the grounds department or related disciplines. Work requires some independent judgment and decision-making skills in routine matters to determine proper work methods, time and materials required for each project. Work requires initiative, the ability to self-direct work and problem solve. Work requires the ability to inspect and diagnose the general nature of problems. Work must be performed in accordance with all applicable building codes, departmental policies, procedures, and protocols. Work environments will consist of indoor, outdoor, independent work or as a part of a team. Attractive & comprehensive fringe benefit package. Starting minimum wage for this position is \$36,845.

Office Assistant III (Business Services): This is an advanced classification that performs specialized clerical work of an administrative nature of varied scope and complexity requiring a broad knowledge of standardized policies and procedures, and confidentiality in the disposition of work matters. Work requires significant independent judgment, problem solving, and decision making skills within prescribed limitations. Interprets guidelines to specific situations that are not covered by policies or procedures. Work includes the maintenance of various record systems, the creation of reports involving payroll, employee, student, departmental records, and statistical data. Work also includes composing routine memoranda, correspondence and written materials requiring knowledge of institutional policies and procedures, scheduling meetings, and making travel arrangements. Limited leadership may be exercised over small teams of co-workers or student employees.

Required Qualifications: Graduation from High School or educational equivalent, college coursework in Business Administration or related field, and two years of clerical experience.
