CDs may seem uninteresting, but that's their superpower. As an investment vehicle, they offer competitive rates while generally being predictable and dependable. Call us to learn more about our boring CDs with not-so-boring rates.

*Annual Percentage Yield (APY) effective 08/30/24. CDs offered by Edward Jones are bank-issued and FDIC-insured up to \$250,000 (principal and interest accrued but not yet paid) per depositor, per insured depository institution, for each account ownership category. Please visit www.fdic.gov or contact your financial advisor for additional information. Subject to availability and price change. CD values are subject to interest rate risk such that when interest rates rise, the prices of CDs can decrease. If CDs are sold prior to maturity, the investor can lose principal value. FDIC insurance does not cover losses in market value. Early withdrawal may not be permitted. Yields quoted are net of all commissions. NOXIOUS WEEDS MUST BE CONTROLLED

You are required to control noxious weeds on your property.

The noxious weeds are: Musk Thistle, Plumeless Thistle, Canada Thistle, Leafy Spurge, Knapweed (spotted and diffuse), Purple Loosestrife, Saltcedar, Phragmites, Knotweed (Japanese and Giant), and Sericea Lespedeza. Notice is hereby given this 1st day of September, 2024, pursuant to the Noxious Weed Control Act, section 2-955, subsection 1(a), to every person who owns or controls land in Wayne County, Nebraska, that noxious weeds being grown, or growing on, such land shall be controlled at such frequency as to prevent establishment, provide eradication, or reduce further propagation or dissemination of such weeds.

Upon failure to observe this notice, the county weed superintendent is required to:

1. Proceed pursuant to the law and issue legal notice to the landowner of property infested with noxious weeds and giving such landowner 15 days to control the noxious weed infestation. Conviction for noncompliance may result in a \$100 per day fine to the landowner, with a maximum fine of \$1,500; or
2. Should more immediate control be required, proceed pursuant to the law and have the weeds controlled by such method as he/she finds necessary, the expense of which shall constitute a lien and be entered as a tax against the land, and be collected as other real estate taxes are collected, or by other means, as provided by law.

Also, the public is notified that noxious weed seed and propagative parts may be disseminated through the movement of machinery and equipment, trucks, grain and seed, hay, straw, nursery stock, fencing materials, sod, manure, and soil as well as articles of similar nature. Methods of treatment have been prescribed by the Director of Agriculture and may be obtained from the county weed control authority.

By Order of Wayne County Weed Control Authority, 402-369-3532, Doug Deck.

Associate of the Month

The best word to describe Paige is "Dedication" She goes above and beyond for the residents and they all appreciate her so much. The energy that she brings to work every day is truly what makes work go so smoothly. Paige's work ethic inspires others to strive to meet those same standards and be the best they can be. Not only is she caring but she is also thorough in her work- always completing tasks efficiently so her shift and the next shift are organized. Thank you, Paige, for everything you do for not only the residents but your co-workers too!
