Rames is Right for LENRD

I served on the Lower Elkhorn NRD Board for 16 years. During much of that time I was proud to be part of a Board that addressed serious challenges facing northeast Nebraska involving flood protection and water quality. But lately the Board has forgotten it's responsibilities to the public. Therefore, I am supporting Steven Rames for Subdistrict #5 Director.

Residents of Cedar, Dixon, and Wayne Counties deserve better representation than what they are getting from the incumbent who has been throwing away taxpayer dollars to lawyers for years. When the Board had a squabble between two of its Directors in 2023 they hired the highest priced lawyer specializing in water law in Nebraska to represent them in court over a human resources issue when sued by one of their own members. The ensuing settlement was sealed so the public couldn't see what was really happening.

We never did get an accounting of the taxpayer money wasted on legal fees but it was likely over 6 figures. And before that the District had to pay it's local attorney to get involved when the incumbent and his wife started spreading rumors about NRD employees to other Directors nearly getting the LENRD sued back then.

It's time for new leadership to stop this childish behavior. I ask you to join me in voting for Steven Rames for Subdistrict #5.
