"Eastern Nebraska's newest and most modern Livestock Market"

Thursday January 16 Weekly/Special Breds/Pairs

Market Report: Jan 9, 2025:
We had some great sets of fats in town for our Thursday January 9th auction, finding a market that was much higher, sending those top fats out at \$202.00. We also had a good run of weigh cows and bulls gathering good strength, calling that market 5 to 8 higher all the way through. We finished the afternoon with a short run of feeders and some good sets of bred cows and heifers. We will be back again next Monday January 13th with another pre-condition auction showing 2300 head with some super sets on the list. If you want to move any stock, please give us a call and we would be happy to stop out and visit with you about our upcoming special auction.
