CONSIDERING A HOME WIRING PROJECT?

Home wiring projects may look and sound easy on YouTube tutorials, but tackling wiring projects without the proper knowledge and expertise could result in a fire.

SKILLS

They can demonstrate their skills in all aspects of electrical work.

KNOWLEDGE

They have the knowledge to complete projects safely and successfully.

TRAINING

They are trained in proper installation and know how electrical systems work.

EXPERTISE

They can identify hazards and reduce risks when it comes to home wiring.

When in doubt, hire a licensed contractor to do the work

Planning to Install New Services?

If you are considering installing a new service especially for irrigation, bin services, or any large load in Northeast Power's service area, contact us as soon as possible. There's a waiting list and it could be 2024/2025 for new installations.

Students of the Month

Alexa Chavez Medina is a tenth grader at Wayne High School. She is the daughter of Laura and Edgar Chavez. Alexa is the kind of student who does all her good deeds "in the background." I don't have any one specific event to highlight her good deeds, because she does them day in and day out for her close friends, peers, and even teachers! She doesn't seek praise for helping others and never draws attention to her extra efforts, which is why I would love for her to get some recognition for the great student/kid that she is! Keep up the good work Alexa!

Mackenzy Wohlers is a second grader at Wayne Elementary. She is the daughter of Matthew & Kiley Wohlers and was nominated by Mrs. Lutt. Mackenzy is a terrific classmate! Mackenzy always does her best work, is willing to help anyone in need and greets others with a kind and friendly smile. She is a curious learner who enjoys challenges and learning new things.

Cheyenne Sullivan is a seventh grader at Allen Consolidated Schools. She is the daughter of Katie and Bryan Sullivan and was nominated by Callie Anderson. Cheyenne always goes above and beyond in English class. She is respectful, completes assignments thoroughly and asks questions when she doesn't understand. She excels in all aspects of language arts for her grade level.

Paige Lutter is a second grade student at St. Mary's Catholic School. She is a shining example of a helper. She will serve others with a loving heart. Paige works hard in all her classes and strongly desires to learn.

Hannah Kort is a tenth grader at Laurel-Concord-Coleridge High. She is the daughter of Nick & Amy Kort and was nominated by Ms. Lisa Scoville. Hannah is a bright light in the discipline of art! Her work is well planned and she takes care to always make sure her work is crafted well and her tools thoughtfully handled. Hannah is a leader and has grown as an artist in both her abilities and confidence.

Adalyn Brokaw is a third grader at Winside Elementary School. She is the daughter of Jordyn & Zach Brokaw and was nominated by Mr. Stubbs. Adalyn is a very hard worker who is always prepared for class. She is a joy to have in class. In school, she is on the volleyball team and the basketball team. Outside of school, she is in softball, gymnastics and track.

Sophia Newton is a seventh grader at Laurel-Concord-Coleridge Middle School. She is the daughter of Cathryn Roberson and Jason Roberson and was nominated by Mrs. Jennifer Backer. Since 5th grade, Sophia has made remarkable growth and dedication to her education! She actively engages in discussions, eagerly answers questions and is dedicated to her assignments. Sophia is an active Student Council member always looking for ways to help others and positively impact our school and community.
