**DID YOU KNOW** - in Las Vegas there are more Catholic Churches than casinos? Not surprisingly, some worshippers at Sunday services will give casino chips rather than cash when the basket is passed. Since they get chips from many different casinos, the churches have devised a method to collect the offerings. The churches send all their collected chips to a nearby Franciscan monastery for sorting and then the chips are taken to the casinos of origin and cashed in. This is done by the chip monks

## Employment Opportunities

**Financial Aid Specialist:** Provide the friendly face of the Financial Aid Office by greeting guests and assisting them in navigating financial aid in person, by phone, and through email. Assist with scholarships, support work with grants and loans, and create content for the office's social media accounts. The ideal candidate is a skilled communicator, detail-oriented, organized, takes initiative, and enjoys helping others.

**Office Assistant III (School of Science, Health, and Criminal Justice):** This is an advanced classification that performs specialized clerical work of an administrative nature of varied scope and complexity requiring a broad knowledge of standardized policies and procedures, and confidentiality in the disposition of work matters. Work requires significant independent judgment, problem solving, and decision making skills within prescribed limitations. Interprets guidelines to specific situations that are not covered by policies or procedures. Work includes the maintenance of various record systems, the creation of reports involving payroll, employee, student, departmental records, and statistical data. Work also includes composing routine memoranda, correspondence and written materials requiring knowledge of institutional policies and procedures, scheduling meetings, and making travel arrangements. Limited leadership may be exercised over small teams of co-workers or student employees.

**Salary:** Competitive, commensurate with qualifications and experience. Attractive and comprehensive benefit package. Minimum annual starting salary is \$38,130.

**Academic Specialist- Focus Area in the School of Science, Health, & Criminal Justice:** Provide executive, administrative, and analytical support to the Dean, managing budgets, communications, personnel, research, and office operations. This key role involves coordinating activities on the Dean's behalf, acting as a liaison to campus units, leading recruitment, intake, and advising of graduate students, and managing school budgets and personnel functions. The successful candidate will also assist with faculty scheduling, event coordination, and report preparation.

- Competitive salary (\$52,059-\$67,026) and attractive benefits package.

**Project Coordinator (Records and Registration):** Performs a variety of professional and administrative duties in support of the day-to-day operations of a function, program, and/or department – this is not a secretarial position. Resolves problems that have a significant impact on the overall goals of the department. Works with technology related teams across campus to advance technology. Collaborates with the Registrar on developing automated processes for registration, records, graduation, etc.

**Required Qualifications:** Associate degree or work related experience.
